

ARMSTRONG'S LAST CALL!

The fall and winter has been very mild and the combination of these two conditions leaves us with several thousand men's suits and overcoats. But we are going to keep faith with the people and sell every garment during this sale, no matter what it costs us to do it.

OUR PLAN IS THIS: We reduce the price for choice of our men's sack suits, both fancy and black, \$1.00 each day; we give choice of any man's overcoat in our store for \$10.00, and will sell boys' suits and overcoats at just half price. Naturally the best clothing is snapped up first. Right here we want to say a word—we want you to buy your suit as cheap as it is possible for you to get it, but don't wait too long; the suits that are \$9 today will be priced \$8 tomorrow, but the one you would have picked may be sold, so for \$1.00 do not disappoint yourself.

This is the Way Men's Sack Suits Will Be Sold
