**GLEE CLUB'S DAY.**  
(Continued from page 1.)  
Johnston, famous as "Cudoma," and Krip Kimmel, well known as "Cecll," is offered. This undoubtedly will take the house. The plot is good, the costumes entirely new, the jokes just fresh from the East, and funny songs appear in abundance. The costumes alone for this part have cost close to three hundred dollars, and no money has been spared to have this a "howling success."  
On Thursday, following the concert at the Oliver, the entire Club goes to Omaha, where the same concert is put on at the Boyd under the auspices of the Omaha Pan-Hellenic Club. Much work has been done there and a crowded house is already assured. After the concert the boys will be given a reception and dance at Chambers Academy by the University Alumnae and the Omaha Pan-Hellenic Club. Altogether this year promises to be so far the best any glee club has had in Lincoln.

**MATINEE PRICES REDUCED.**  
**Splendid Opportunity for Students to Attend in Afternoon.**  
For the benefit of the student body Manager Agee reduced the price of matinee performance from seventy-five and fifty cents to fifty and twenty-five cents. All those who had purchased tickets at more than the present prices may have the extra amount by calling at the box office at the Oliver.  
The prospects are that the matinee performance will be greeted with a packed house. Director Gillespie has promised as fine a concert in the afternoon as in the evening and those who wish to take advantage of the price may rest assured that the concert will be fully up to that given in the evening.

**PROS AND CONS**  
**COMPLETE DEBATES**  
Our foreign policy, the currency, the tariff, immigration, high license, woman suffrage, penny postage, transportation, trusts, department stores, municipal ownership of franchises, government control of telegraph. Both sides of the above and many other questions completely debated. Directions for organizing and conducting a debating society, with by-laws and parliamentary rules.  
Price, \$1.50 Postpaid. Cloth—469 Pages.

1129 O Street.

**MEN SELECTED.**  
**List of Athletes to Compete at Kansas City Friday Night.**  
The ten men who will go to Kansas City to compete in the Kansas City Athletic Club's indoor handicap track meet next Friday night were selected last night.  
They are: G. B. McDonald (pole vault), J. C. Knode (high jump), Kröger (shot put, fifty yard dash), Dunlap (fifty yard dash, fifty yard hurdles), Craig (fifty yard dash, fifty yard hurdles), Muir (fifty yard dash, fifty yard hurdles), D. F. McDonald (fifty yard dash, fifty yard hurdles), Coe (fifty yard dash), Benedict (half mile), Alden (one mile).  
These men do not go to compete as a representative team for the University, but simply as individuals entering the games under Nebraska colors and competing for the experience to be gained and the pleasure of the trip.  
They will leave Thursday night over the Missouri Pacific at 10:15, reaching K. C. the next morning.

**ORGANIZE BASEBALL TEAM.**  
**Boone County Students' Club to Play Cotner and Wesleyan.**  
All arrangements have been made for the organization of a baseball team from the young men of the Boone County Students' Club. Practice will begin on the grounds at Nineteenth and Vine streets as soon as the weather permits, and the men will then be chosen for their respective places.  
P. A. Barrow, chief clerk in the office of Commissioner of Lands, was elected as manager, and O. L. Pitchford and W. B. Watson as a committee to arrange for grounds and games. Games have been scheduled with Cotner and Wesleyan, the latter of which will probably be played on the Saturday after vacation.

**Sigma Xi.**  
The society of Sigma Xi will meet tomorrow evening. The following program is to be given:  
"The Probability Machine," C. C. Engberg.  
"Chemical Research and Progress," S. Avery.  
"Designing and Building a Telescope," G. D. Swezey.

**Freshmen Lose.**  
The Freshmen were defeated by the Y. M. C. A. Meteors last Saturday night, 38-32. The Freshmen were badly worsted in the first half, but took a big brace in the second, scoring more points than the Meteors.

**Battalion Flag.**  
The person who borrowed the battalion flag is advised to return it promptly as it is government property and Uncle Sam has a habit of not seeing the joke in such matters.

**Chemical Club.**  
The Chemical Club will meet Saturday evening, March 23, in the Chemical Lecture room. H. E. McComb will talk on "Radio-Activity."  
Visitors are welcome.

Arthur Montmorency, familiarly known as "Montie," announces his marriage Wednesday, April 3. He graduated in 1894 from the Literary department; he later returned and took the law course in 1896, but is now an engineer.
