THE AFTERMATH.

(Continued from page 1.)

dered the visitors, and the next morning at the Delta Upsilon house Mr. E. F. Robinson, the only member of Phi Alpha Tau from Wisconsin, formally installed the initiates of that organization just established here.

Nebraska-Illinois.

At Illinois there occurred another difficulty over judges, one failing to arrive at the last moment. The third judge agreed upon was Professor A. E. Rogers of Maine who is teaching for the year at Illinois. Since there was a split decision between the other two, E. R. Stephens and Professor W. W. Cook, both of Wisconsin, it may be said cast the deciding vote. Professor Cook while voting for Illinois said it was very close and was none too positive as to the way it should go. Professor Caldwell in commenting upon the debate thought the main weakness of the Nebraska team was in rebuttal, the other side getting in smoother work along this line. He declares the reception accorded them was most cordial. All members of the team have gone "visiting" before returning.

A change has been made in the time of year during which the League debates will occur hereafter. The next contest will fall on the Friday night before Christmas vacation, December 13. At that time Nebraska will meet Iowa here and Minnesota at Minneapolis. It will be the first time Nebraska and Minnesota have clashed on the forensic field, and the second time she has met Iowa. The latter team was met and defeated by a unanimous decision two years ago on the question of the Fourteenth Amendment.

David Starr Jordan.
