## LAW BOOK CERTAIN

LEGAL MEN AT MASS MEETING DETERMINE ON SOUVENIR.

Efforts to Compromise the Matter Smothered—Size of Book—180 Subscriptions Taken.

A mass meeting of the Law department was held at 11 o'clock yesterday to consider the Cornhusker situation. All three classes were present in full numbers. Harry Keyser presided, with Edward Affolter as secretary.

G. L. De Lacy was the first speaker. He laid the situation before the meeting in a very clear manner, reviewing the difficulty from the beginning. He declared the contract provided that the department of Law should have one hundred pages in the Cornhusker; that precedent and the intention of the parties being followed, there should be one hundred consecutive pages; that such pages had not been allowed; that after fruitless efforts at compromise the Seniors had replenished their cuts and materials; that Juniors and Freshmen had withdrawn with the Seniors from the Cornhusker undertaking, and that the purpose of the meeting was to consider the proper and reasonable course to be followed under the unfortunate circumstances.

B. C. Enyart then moved that the Law department put out a book as soon as possible. He said he made the motion because in his estimation the difficulty had gone beyond immediate compromise. He deplored the unfortunate situation, but advised that since the trouble had come the Law department should stand together. He recommended that a book worthy the school be put out and one containing no advertisements.

C. C. McWhinney here attempted to interpose a substitute motion providing that a committee be appointed to arbitrate. This motion was tabled and the original motion carried almost unanimously.

The book to be published was then discussed. It will contain one hundred pages. In order that it should contain no advertisements, orders were taken at once and within fifteen minutes 180 copies were subscribed for, thus assuring the financial standing of the publication.

There was practically no division on the course outlined and the meeting showed the unanimity of the Law department in the situation.

### SENIOR PROM.

Big Social Event at Lincoln Hotel This Evening.

The Senior Prom which is scheduled at the Lincoln Hotel this evening bids fair to be the social event of the year in University circles. The committee announces that the expense of time and money has not been spared in providing an evening of unusual pleasure. Several new features are on the program, as, for instance, the "spot light" dance which has been arranged by several of the ingenious electricians on the committee. The punch and ice will be a patriotic representation of the University colors. The music needs no words of commendation, as this is to be provided by Abbott's seven-piece orchestra. The committee from the class of '07 which has charge of all arrangements is represented by C. D. Slaughter, chairman, and C. L. Meyer, master of ceremonies.

### GEIL AT MEN'S MEETING.

Noted Explorer and Lecturer to Appear at Oliver Sunday.

The last lecture of the Men's Mass Meetings at the Oliver, will be given next Sunday afternoon by Mr. W. E. Geil, one of the noted explorers of Africa, on the subject "Canibals Before and After." This last lecture of the season is expected to be an unusual treat as "The Giant," as Mr. Geil is characterized, is said to have made great "hits" by his lectures thruout the country.

It was thru the efforts of Dean Ward that an appointment was secured with the explorer. Mr. Geil recently gave a lecture before several thousand men at Omaha where he made a considerable stir, and it was then that Dr. Ward arranged to have him stop off at Lincoln for this meeting.

### Observatory Open.

The Observatory will be open to visitors Friday, April 12, from 8:00 to 10:00 p. m. for a view of Jupiter.

The Associated Barbs will meet in U. 208 this afternoon at 5 o'clock.

### 'VARSITY LOSES.

Cornhusker Nine Again Defeated by Lincoln.

The University and Lincoln League baseball teams met in the second game of this season yesterday and the Cornhuskers were wholoped by the score of 20 to 11. The Leaguers played "horse" with the Varsity men and seemed to score with ease. Dort, long heralded as a wonder, went into the box for Nebraska in the fourth inning and did some real poor pitching. He was so wild that he gave eight men free passage to first in this inning.

Flake and Stephenson also twirled the sphere for the Cornhuskers. The former did better work than any other man the Varsity has had in the box this season. His support was poor, however, and Ducky's men made several runs while he did the throwing.

Another game will be played between the same teams Saturday.

### SENIOR PARTY.

The Last Indoor Social Event for 1907 People.

The committee in charge of the fifth Senior class party to be given in the Chapel and Gymnasium Saturday night, promise a lively time for all present.

The efforts of the committee to arrange a program of entertainment for those who do not dance will result in some varied and lively "stunts." This program will be given in the Gymnasium, separate and distinct from the dancing in Memorial Hall.

One of the committee has called the event a "Get-acquainted Party." As this is the last indoor party to be given by the class, it is expected that there will be a large attendance.

### Sophomore Informal.

The Sophomore class will hold an informal party in Memorial Hall Saturday, April 27. The second year students expect to make this the best dance of the school year. Tickets cost 50 cents and are being sold very fast.

## ARE GETTING BUSY

ASSOCIATED BARBS MAY TAKE PART IN ELECTION.

"Non-Frat Men" Will Meet Today to Consider Putting up Candidates for Athletic Board.

A meeting of the Associated Barbs will be held at 5 o'clock this afternoon in U. 208 to consider the advisability of placing candidates in the field for the coming Athletic Board election.

Many of the non-frat men are making a strong demand for a Barb Athletic Board ticket, and if they have their way candidates will be nominated this afternoon and a "slush" fund raised at once to support the ticket. The men who are agitating the naming of non-frat candidates claim that they can put a ticket in the field which will defeat any list of fraternity men the "frats" may select.

The fact that the registration fee for voting in the Athletic Board election will be returned this year in the form of a rebate on tickets to athletic contests has led the "barbs" to believe that several hundred of their association will register and vote. The return of the fee they say will enable them to raise a big "slush" fund, for those, who in the past have been reluctant to give up twenty-five cents, will not hesitate to let "loose" of their money, now, knowing that they will receive full value for it.

Registration for the election has been going on for four days from 11 to 12 o'clock in University Hall and in the Library, and will be continued tomorrow and Monday. Up to this time about three hundred students have registered, among whom are many "barbs."

The "frat" nominees have not been announced as yet but their names will probably be given out early next week. The election will be held during the first week in May.

The Athletic Board at present is composed of five faculty members and the following students: Welton, F. Schmidt, C. B. Duer, M. Denslow, and A. L. Lott. At the coming election men will be elected to succeed the student members.
