ern intercollegiate gymnastic championship meet, but got third. Minnesota won first and Wisconsin second. and paid their fee to vote. About seventy of the students registered are "non-frat" men. This is the smallest number of students that ever registered for an Athletic Board election at this school.

There will be only one ticket in the field this year, since the "Barbs" at their meeting Friday afternoon decided not to nominate any men for the Athletic Board positions. The "Barbs" refuse to give their approbation to the present method of filling the positions and claim they will not participate in the Athletic Board campaigns until a new election system is adopted.

The Fraternity men are now busy fixing up a slate that will be acceptable to all the "Frats" and will announce their ticket within a few days.

The failure of the "Barbs" to nominate a ticket means that this year's election will be an apathetic one. The date for the election has not been set as yet and will be announced later—sometime this week.
