Bind Papers.
The Historical Society has been busily engaged for some days past preparing several hundred volumes of newspapers for binding. All the daily papers will be bound at once, while the weeklies will be attended to a little later.
The Historical Society receives and preserves files of every publication in the state, except in those few cases where the publishers fail to respond to the offers of the society, and then the appeal of students from that locality is usually sufficient to bring a response.

W. F. Rantsma has left school to accept the position of transit-man for the Consolidated Copper Mining company at Ely, Nevada. He will be with Charles Purcell, C. E. '06, who has charge of the work for the company. Mr. Rantsma expects to graduate with the Senior class the coming June.

Lost—A black cloth doll was taken from the hall on the evening of the Junior-Senior reception. Information concerning same will gladly be received by committee.
