SUPERINTENDENT M'BRIEN
 On New Acts of Legislature Regarding
 Schools.
 "Our New School Laws" was the
 subject of a talk by Mr. J. L. McBrien,
 superintendent of public instruction,
 at Convocation yesterday morning. Of
 the seventeen new school laws just
 passed, Mr. McBrien spoke of the
 seven greatest ones, which are as fol-
 lows:
 (1) A law providing for a library in
 every school district; (2) a free high
 school law; (3) a law enlarging the
 scope and increasing the number of
 junior normal schools; (4) a law pro-
 viding for normal training in high
 schools; (5) a law providing state aid
 to weak districts by appropriating
 \$50,000 therefor; (6) a law making the
 minimum entrance requirements to
 state normal schools a two-year high
 school education or its equivalent; (7)
 a law raising the standard of certifica-
 tion of teachers by private and de-
 nomination schools by providing for
 a more rigid inspection each year by
 the state superintendent or by the
 state board of examiners for life cer-
 tificates.
 There is benefit to those from rural
 districts for at least three thousand
 students take advantage of the free
 high school law and in turn greater
 and comes to the state, so there is a
 leveling up. Mr. McBrien spoke
 briefly of the work planned in the
 normal departments of the Omaha and
 Beatrice high schools. Junior normal
 schools will be established in the
 northern, western and southern sec-
 tions of the state.

"Kid" Wedge.
 Tonight F. R. Wedge, better known
 as "Kid" Wedge in Omaha where he
 had a considerable reputation as a
 "welter-weight," will lead the men's
 meeting at the Y. M. rooms this even-
 ing.
 He is at present attending the Uni-
 versity, preparing himself to enter the
 Presbyterian ministry. He has been
 holding services in the city twice each
 Sunday, in the morning at the county
 jail and in the afternoon at the city
 jail. His talk will be of vital interest.

Glee Club to Make Trip.
 The University Glee Club will start
 for Hastings and Fairmont Friday
 afternoon, where they will give con-
 certs on Friday and Saturday nights
 respectively. The club expects to
 make a number of trips before the
 close of the semester, one of which will
 be to the cadet encampment, prob-
 ably, which will be held at Beatrice.

McCormack to Lecture.
 Dr. J. M. McCormack, national lec-
 turer for the American Medical Asso-
 ciation, will deliver his famous lecture
 on "Society and Health" at Fraternity
 Hall, Saturday, April 27, at 8:00 p. m.
 Dr. McCormack is a very entertain-
 ing lecturer and has been a great fac-
 tor in the pure food movement and
 for this, if no other consideration, will
 be worth hearing. Admission free.

Jack Best is again able to be out
 after several days of illness. He de-
 sires to express his thanks and appre-
 ciation for the flowers sent to him by
 the baseball and track men. Every
 one is glad to see Jack back at his
 post and it is to be hoped that he will
 yet see long service in his capacity
 of good genius to the Cornhusker ath-
 letes with their sprains and bruises.

Edna Spears, '05, has been elected
 to a position in the high school at
 Wymore.

The Harvard Medical School, Boston, Mass.
 With the completion of the new buildings, which were dedicated Septem-
 ber 25th, 1906, this school now has facilities and equipment for teaching and
 research in the various branches of medicine probably unsurpassed in this
 country. Of the five buildings, four are devoted entirely to laboratory
 teaching and research. The numerous hospitals of Boston afford abundant
 opportunities for clinical instruction in medicine and surgery.
COURSE FOR THE DEGREE OF M. D.
 A four years' course, open to bachelors of art, literature, philosophy or
 science, and to persons of equivalent standing, leads to the degree of M. D.
 The studies of the fourth year are wholly elective; they include laboratory
 subjects, general medicine, general surgery and the special clinical branches.
 The next school year extends from September 26, 1907, to June 29, 1908.
