A "MAN'S-SIZE BREAKFAST."

It Will Be Served at St. Paul's Church, May 4.

Big doings May 4 at St. Paul's M. E. church—a regular man's-size breakfast, with trimmings, for every one who has 25 cents and wants to have the time of his life on it! Easy as can be—just get up—most any time before noon—on the 4th of May and after using Pear's—or whatever your favorite brand is—pass up for once your stand-by boarding place and go down to the church at Twelfth and M streets. All of your friends will be there, including several members of the faculty who know a good thing when they hear about it. All of the tables are to be decorated with flowers and the prettiest, nicest girls in the state will be there to hand around strawberries, cream and all of the other articles of diet that no well regulated young man can get along without.

The Y. W. C. A. has any hotel beaten to a custard. At the May Morning Breakfast you don't have to tip the waitress and she never forgets either the toothpicks or the finger bowls. Why not go down, anyway? No matter where you live, it isn't very far, for St. Paul's is centrally located, and think how disappointed the girls will be if you aren't among those present!

Forest Club Lecture.

Barbour will address the last regular meeting of the Forest Club, at 8 o'clock tomorrow evening, May 2, in N. 102, on the subject, "Fossil Evidence of Former Forests in Nebraska and Elsewhere." The lecture is given on Thursday to accommodate those who have social engagements at the end of the week. Members of the club are requested to be present.
