

A Suit You'll be Proud of

That's the kind of a Suit your Spring Suit should be.
And it's the kind of a Suit it will be if it comes from this home of good clothes. The character and superiority of our clothing is well known, but with all our selling of the finest ready-to-wear clothes made, we have never neglected the man whose outlay for a Suit is to be

\$12 or \$15

For instance, take this season's great array of Suits at these prices, the variety is large and the style and fit receives the same attention as in the higher priced clothing.

The man who wants the best moderate priced suit his money can buy will do well to turn his steps toward this store, where his purchases will meet his expectations.

An Arboretum.

During the last ten days the Department of Horticulture at the State Farm has been busy putting in various ornamental shrubs and trees that will go to make up an Arboretum which is to be placed southwest of the Agriculture Hall. The Arboretum will consist of five acres and will be designed after the "Nature Plan."

Rhetoric 2.

The introductions to the briefs will be returned at U. Hall, 107 A, this (Friday) afternoon, from 1:30 to 4:30, and Saturday morning from 9 to 12 o'clock.

See bulletin board for readers' special office hours, beginning Saturday, for conference on these introductions.
Department of Rhetoric.

The Harvard Medical School, Boston, Mass.

With the completion of the new buildings, which were dedicated September 25th, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unsurpassed in this country. Of the five buildings, four are devoted entirely to laboratory teaching and research. The numerous hospitals of Boston afford abundant opportunities for clinical instruction in medicine and surgery.

COURSE FOR THE DEGREE OF M. D.

A four years' course, open to bachelors of art, literature, philosophy or science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches. The next school year extends from September 26, 1907, to June 29, 1908. Send for illustrated catalogue; address
