IN A DUAL MEET

NEBRASKA AND MINNESOTA MEN
CONTEST TODAY.

Cornhuskers Have an Even Chance to
Win—Meets of Last Saturday
Compared—Nebraska Team.

The Nebraska track team left last night at 6:15 for Minnesota over the Burlington. They took a special car on the Northwestern at Omaha and should have reached Minneapolis about 8 o'clock this morning. The team expects a hard meet with the Gophers, but feel that they must and can win. After the baseball victory day before yesterday they feel doubly inspired and every man will do the best work today he has yet accomplished this season. The following men made the trip:

Burruss.
Coe.
Perry.
Benedict.
Morgan.
Alden.
Theisen.
Davis.
Bauman.
Knode.
D. F. McDonald.
G. B. MacDonald.
Craig.
Weller.
Moser.
Kroger.

Judging from the performances last Saturday in the Minnesota-Iowa meet, Nebraska should give Minnesota good competition in every event, and in some should almost certainly take first. Chances seem about even in the sprints; in the distance runs the advantage should rather lie with the Cornhuskers. The hurdles are rather uncertain events, but with a good chance for Nebraska. The Cornhuskers should have things rather their own way in the field events except in the broad jump and discus throw, where chances seem about even. However, it should be remembered that the Iowa-Minnesota meet was held in a snowstorm and that on this account performances were much poorer than they would have been under favorable weather, and perhaps particularly in those events where Nebraska flatters herself on her superiority. It may be expected that Minnesota will surpass in every event her performances of last Saturday and in some instances may show surprising improvement. On the other hand, the Ames-Nebraska meet was also held on a very cold day and the track was slow, so that corresponding improvement may be looked for on the part of the Nebraska men.

Three years ago Nebraska and Minnesota met here, and the Cornhuskers pulled out a victory in the most exciting track meet ever seen in Lincoln. The final outcome was uncertain until the last event in which Nebraska took first and second, thus capturing the meet.

The team will leave Minneapolis Saturday night, reach Omaha Sunday morning, and get back to Lincoln some time during the day. Dr. Clapp accompanied the team.

CHICKEN POT-PIE SUPPER

For University Men

—ST. PAUL CHURCH—

TONIGHT AT 6 O'CLOCK P. M.

15 CENTS.

AUSPICES Y. M. C. A.

THE "PIE FEED."

Savory Supper to Be Given at St. Paul's Tonight.

Cheerful entertainment has been planned for the Pot Pie Supper to be given at St. Paul's church this evening. This will be the last of the men's suppers given this semester, and the committee has made a special effort to make it surpass in excellence any of their "pie feeds" given this year. The Baptist Quartet, which has always been so enthusiastically received, will sing several of its choice selections, and Mr. A. E. Phelps has consented to give a trombone solo.

Dr. B. L. Paine, chairman of the advisory board, has again cheerfully given his services in preparing the chicken pie, the savory qualities of which have long since won him a reputation among University men. The supper will be served between the hour of 6 and 7:30 p. m.

These Y. M. C. A. suppers are given with a view to bringing the men of the school together, getting them more universally acquainted, and promoting a broader fellowship among them. And in this they are succeeding, even tho they are given at a financial loss of from ten to fifteen dollars each.

YOUNG MEN ENTERTAIN.

Gentlemen of English Club Entertain the Club at Alpha Theta Chi.

The young men members of the English Club entertained the club at the Alpha Theta Chi house Thursday evening. Professor Losey read an original one-act play entitled "Thanksgiving Day," written by one of the members of the club. The play dealt largely with Lincoln college life, and was pronounced excellent amateur work.

A vocal solo by Ernst Johnson was greatly appreciated. After the formal part of the program the guests enjoyed a general good time in piano music and conversation, after which ice and refreshments were served.

The club decided to hold one more meeting this semester and set the date for May 23.

The entire edition of the first volume of History of the Nebraska Constitutional convention have been received by the Historical Society. This edition numbers two thousand volumes. Proof is being read for the second edition, which will be printed soon. In all there will be at least four volumes in this series. The later volumes will be concerning the second constitutional convention, held in 1875, which drafted the constitution under which we now live. Approximately \$1,100 is necessary for the printing of each volume. Only \$2,500 have been appropriated so far for this work.

LIKE NEBRASKA.

Leland Stanford Objects to Conference Rules.

The Leland Stanford track team, which has been invited to participate in the annual conference meet, to be held in Chicago on June 1, has declined the offer.

The following from the Daily Palo Alto explains the reasons for Stanford's refusal to compete, and shows what the westerners think of the conference regulations:

"The Cardinal men will be unable to compete, as a large number of strict rules govern the conference meet, and Stanford would be barred by several of these.

"The invitation came as a complete surprise to those interested in Stanford athletics. Michigan, the usual winner, will not compete this year, and thus the meet will be robbed of much interest. It is believed that the Cardinal was asked to take part in an endeavor to revive the enthusiasm in the conference sports. The invitation was also extended to the University of California.

"Stanford could not possibly compete under the rules as they now exist. In the first place, the freshmen would be excluded, and then the Cardinal athletes would be forced to abolish their training table if they took part in the conference meet. A great many of the regulations would affect Stanford in one way or another."

The University of California has also turned down the invitation to compete in the meet.

The Law baseball team was defeated by the Cotner nine Thursday afternoon by the score of 13 to 0.

M. V. MEET TODAY

ATHLETIC EVENTS OF THE M. V.
I. A. A. THIS AFTERNOON.

Eighth Annual Track and Field Meet—
Over Ninety Men Entered—Forty-eight Prizes—Cups for Winners.

The Missouri Valley Interscholastic Athletic Association pulls off the eighth annual track and field meet on the University athletic field this afternoon. Something over ninety men from the larger high schools of Iowa, Missouri and Nebraska will compete for the honors. All the men come in good trim for the events, and it is said that a few of the schools have unearthed some very spry material this year.

Two beautiful silver cups are to be given to the winning school. One of these cups is given by A. G. Spalding Bros., and one by the Lincoln Commercial Club. A dozen or more of the city's business men have clubbed together to give the medals for the individual winners of the various events. Four prizes will be awarded in each event. Three of these are medals, a gold, a silver and a bronze, while the fourth is a white silk badge. Altogether there will be some forty-eight prizes awarded.

The representatives from several of the high schools arrived in Lincoln early yesterday afternoon, in order that they might have ample time to rest up before the meet. The events will begin at 2 o'clock sharp this afternoon.

SWOBODA TO GO?

Rumored That Instructor Will Leave the University.

It was rumored yesterday that Professor Adolph R. Swoboda would soon resign his position as instructor in Electrical Engineering to engage in business. Nothing official, however, could be learned regarding this statement.

Mr. Swoboda has been an instructor in the University since 1905. He took his B. Sc. degree at this school in 1903.

RULE 34.

Student Suspended From School for Breaking It.

W. C. Chaloupka, a sophomore in the Industrial School and an "N" football player, has been suspended from the University for violating Rule 34, which prohibits students of different sex rooming in the same house. Before he will be allowed to return to his work at the University Mr. Chaloupka will have to move from his present location at 635 North Sixteenth street.

Track Meets Today.

Nebraska vs. Minnesota at Minneapolis.
Missouri vs. Kansas at Lawrence.
Missouri Valley at Lincoln.

Glee Club.

The University Glee Club will give a concert at the Oliver theater Tuesday evening.
