DEAN ROSCOE POUND.

The rally in Memorial Hall yesterday showed that the University public takes an accurate measurement of every man who holds a prominent position in this institution. It brought out the respect and appreciation that every Nebraska man has for the professors who are making this a great school.

Those were good soul-stirring talks and appeals given by the faculty representatives. They made the student body realize how great a man Dean Pound is, and how badly the University of Nebraska and its Law College

Nebraska must give him more inducements.

The petition to the Board of Regents passed at the rally is the right step toward getting Dean Pound to stay. The regents have the power in their hands to keep him here and the students must see that they do retain him. Dean Pound is a product of Nebraska and must be kept at his Alma Mater.

SCARLET AND CREAM.

Standing of the Y. W. C. A. Furnishing Fund Contest.

The Y. W. C. A. Furnishing Fund at present stands as follows:
"Cream"\$263.50
"Scarlet" 84.50

Total\$348.00
All the reports from both sides are not yet in and the total amount collected can not be definitely ascertained. Owing to the fact that the teams are still busy and are not able to report pledges fully, the campaign will be carried over until Tuesday of next week.

The members of the two teams are requested not to cease their efforts for the next few days. Every girl in the University should be interested in helping along this campaign and in contributing whatever she can. Girls, do not hold back if you can give only 25 cents. Four quarters make a dollar, you know.

K U. Graduates.

Two hundred and forty-seven young men and women will receive diplomas from the University of Kansas at the thirty-fifth annual commencement Wednesday, June 5. This is one of the largest classes ever graduated from the university, being second only to last year's class of 275, the banner year of the university's history.

In scholarship the graduating class is fully up to the standard of past classes, fourteen having been elected

Alumni at Lead.

The following Nebraska graduates have been re-elected in the Lead, South Dakota, high school with an increase of salary:

Miss Mildred Slater, '06, History.
Miss Edith Whyman, '05, English.
Miss Ina E. Gittings, '06, Physical Training and Mathematics.
Mr. J. C. Lindberg, '05, English.
One of the preceding writing says: "We all feel that the 'cold, cold world treats a fellow right, that is if you go far enough north to really get into the 'cold world.'"

"There are vacancies in the high school in the science, business and manual training departments for others who might wish to brave the cold dash."

need his services. The truly great man is recognized wherever he may be retained. The future of our fine Law School is at stake. Nobody can deny it.

Dean Roscoe Pound, thru his ability and energy as a scholar and tireless worker, has made the Nebraska College of Law one of the best in this country. He is the guiding hand of that school and if he leaves, there will be nobody who can fill his position.

The people respect and honor him, but friendship alone cannot keep Dean Pound here, when other schools are clamoring to secure his services and are offering him handsome salaries.
