**IS NOT A FRIEND.**

(Continued from page 1.)

divided as to numbers. There are no points of unity, but instead intense race hatred. Along our western coast the recent outbreaks show the trend of popular feeling. Our industries demand more laborers and the only available supply is in the orient. However, we do not dare admit orientals for fear of their influence on the morals and institutions of our country.

Dr. Fling declared that he had no confidence in the professions of friendship for the United States which Japan has been making recently. If she comes to feel that she needs the Philippines she will not hesitate to take them. Japan is no more honest than other nations, but she is a little wiser.

A greater crisis confronts the world today than ever before. This generation has inherited a tremendous responsibility. Internally we are passing through a crisis. In politics a new idea of democracy is growing up. In religion there is great unrest and a broadening of old ideas. With these as incidentals which only make the great problem more complex, statesmen see looming before them the great and inevitable conflict between the east and west—the conflict for mastery which must surely come.

other cities of China are planning to raise funds for new buildings.

In Manila the Y. M. C. A. workers expect to erect a \$100,000 home during the next five years.

On the Isthmus of Panama the United States government has built several buildings for the association and has appropriated money for paying the secretaries.

Mr. Hurrey, when interviewed yesterday, expressed himself as being greatly pleased with his reception at Nebraska and said that the outlook is very encouraging for the local association.

No one should miss seeing the fine display window of Yard-O in the University Book Store. Yard-O is the invention of a former U. of N. student, Mr. Roscoe Ozman of the Law College, '07, who is now practicing law here in Lincoln.
