GET INTO THE GAME

CAMPUS NOTES.

Clement Waldron went to Beatrice yesterday.

Lehigh has a schedule of eleven games this fall.

Arthur H. Mielenz, 1907, is at San Antonio, Texas.

Send in your news items to the Daily Nebraskan.

Charles Weeks, 1907, is superintendent of the Fairmont schools.

Miss Kate Foster, 1906, is teaching in the high school at Sheridan, Wyoming.

Creighton is still bemoaning the loss of Nebraska from her football schedule.

G. L. Pitchford, 1907 is head chemist in the Union Pacific shops at Omaha.

"Nate" Downes, 1907, Beta Theta Pi, is working for the Union Pacific at Omaha.

The University Bulletin will appear regularly on the editorial page. Look for it there.

John Perkins, the janitor of the Administration Building was married for the first time September 25.

The hour for recitation in business law has been changed and this class will meet at 5 o'clock Monday afternoons.

Minnesota Freshman and Sophomores are preparing for their annual cane which is to be pulled off next Thursday.

Measurements for cadet uniforms will be taken Monday from 2 to 12 and 1 to 6 in the Armory. A deposit of \$5.00 must be made with each order.

O. E. Sheldon of the history department has gone to Columbia university on a year's leave of absence to do advanced work in ethnology and sociology.

Any young woman wishing to do a little work each day for room or board inquire of Miss Vibbard in the Y. W. C. A. room. Office hours 10 to 12 a. m.

Mr. George Edwards, the noted South American missionary and explorer gave an interesting talk at convocation yesterday, relating his experience as a scout and missionary.

The Pershing Rifles request that men who have not yet ordered their cadet uniforms do so at once. Monday will be the last day of the discount. There after the regular price will be charged.

Charging Machine.

One of the innovations adopted by Coach Catlin this year is a new charging machine built in Iowa City and modeled after the machines used at the University of Chicago and other western colleges. The machine to be used in Iowa field this fall is larger than the one ordinarily employed as the length is sufficient to allow seven men, the whole line—to charge against it. Its purpose is to cultivate quickness in the forwards.
