 will be unable to play at all this season. "Billy" strained himself this summer and the doctors have forbidden him to attempt football this fall. "Billy" is a steady consistent half and will be sorely missed.

Practically all the practice this week has been devoted to running signals. Although scrimmage work will be started soon and Saturday the varsity will play a regular game against Brunner's freshman squad.

FOR NEBRASKA.

(Continued from page 1.)
 Another thing, it seems to me, it is high time to consider is an excursion to Kansas. It is early, to be sure, and the season is just opening, but it is never too early to push a good thing. Kansas is losing no time nor opportunity to prepare for us so it behooves us to "get busy" too. We all know that Kansas is one of our strongest rivals and that when our boys go down there they will have no walk-away. Of course we expect to "wallop" them, but there is no surer way to realize this than to send an excursion with the team. It will be remembered that our last victory over Kansas—at Lawrence in 1903—was wrenched from the very arms of defeat by the extraordinary effort of loyal Nebraska "rooters." There is no reason why we cannot have just such an excursion this year and if the student body will take this up with half the energy and enthusiasm our fraternal co-eds did their "rushing," there will be a "bunch" at Lawrence on November 9, representative of the Goldenrod spirit of Nebraska.

Yours truly,

C. C. McWILLIAMS, 1907.
