The work of the Young Woman's Christian Association has started on in full swing with pleasing prospects for the coming year. FOOTBALL RALLY.

First One of the Year to Be Held at 11:30 Tomorrow.

The first football rally of the year will be held in Memorial Hall at 11:30 tomorrow morning to stir up enthusiasm for the Grinnell game, which will be played next Saturday.

Those in charge of the preparations for the meeting have made big plans and expect the rally to be a "great" success. They have arranged to have the band play and the following men speak: Professors Bolton, Maxey, Lees, Caldwell, Fossler, Conant, Captain Workizer, Coach Cole, Manager Eager and Captain Weller. It is expected that these men will furnish enough spirit to hold the students until after the Grinnell game.

DEAN COSTIGAN TELLS OF ITS PROGRESS AND WORK.

He Speaks of the Loss of Dean Pound and Describes the Source Method of Studying Law in the College.

Writing in the current issue of the University Journal, under the caption "The College of Law," George P. Costigan tells how the loss of Dr. Pound affected the school and explains the work of the college. The article is as follows:

The College of Law of the University begins the year far more hopefully than seemed possible in the spring.

A TRIO THAT IS HARD TO BEAT

Captain John Weller

Manager "Dog" Eager

Coach "King" Cole

These three men are working overtime in a great effort to build up a football machine at Nebraska that will defeat Minnesota, October 19, and that will carry sorrow into the camp of the Jayhawkers at Lawrence later in the season. The big victories over Peru and South Dakota show what they already have accomplished.

dred girls have registered for these classes which are held at the University, the Conservatory of Music, the Dormitory, and at a number of the sorority houses, under the direction of Miss Vibbard, Mrs. T. F. A. Williams, Miss Laura Dickey, extension secretary of the City Y. W. C. A., and several of the members of the association.

The meetings held by the Y. W. C. A. so far have been unusually good. The reception held at Mrs. A. J. Saw: (Continued on page 4.)

The Phi Rho Sigma fraternity at Omaha has moved from 526 South Twenty-fifth avenue to 1314 South Twenty-sixth street.

The loss of Dr. Pound, felt keenly by students and faculty alike, has tested the loyalty of our students in a way that we hope may never again be necessary. The spirit displayed by the different classes has been all that could be asked, however, and while there appears to be a slight decrease in attendance this fall the most of it would have occurred had there been no change in the personnel of the faculty.
