Partly cloudy and warmer.

## "SAH, MR. BONES."

The Y. M. C. A. Will Give a Minstrel Show This Year.

At the recent meeting of the Y. M. C. A. cabinet it was decided to push plans immediately for the presentation next spring of a high class minstrel show. In view of the fact that there will be no University Glee Club this year, it is felt that something of this sort will fill a certain part of the annual program of University "stunts" for which there is an increasing demand. Material for the organization of an excellent body of comedians is abundant. Many of last year's glee club men are in school and those having the matter in charge are already on the trail of several men of marked ability along this line. Men to take charge of the training of the squad and of the financial part of the undertaking, will be secured as quickly as possible and the project for the accomplishment of something worth while will be vigorously carried out.

Discards Honor System.

## DEMOCRATIC RALLY.

Public Invited To Hear Prominent Speakers.

The Jeffersonian Club of the University will hold its big rally in Memorial Hall, Wednesday evening, October 30, at 8 o'clock. The attempt will be made by the committee to secure the attendance of students of all parties, and the faculty as well.

Three prominent men have been secured as speakers, Richard L. Metcalf, P. L. Hall, and Judge Loomis.

Richard Metcalf is editor of the paper which has probably the largest circulation in America, The Commonwealth. He is also author of the book, "Of Such Is the Kingdom."

Dr. Hall, who is president of the new bank recently established in Lincoln, has been a leader in the democratic party for years, having held the position of chairman of the state convention here.

Judge Loomis of Fremont is the Fusionist candidate for judge of the supreme court. Owing to this being the only opportunity that the people of Lincoln have had to hear him speak

## A LIVELY SCRAP

FRESHMAN CANDIDATES FOR PRESIDENT MISSING.

Sophomores Capture Junior President Parade O. Street With Freshman President After Election.

It has been many a year since the annually recurring election of the freshman president has caused as much rivalry and brought out as much class spirit as the election of the freshman class held yesterday afternoon. Mr. Weaverling, of Beatrice, was the successful candidate receiving 184 votes against the 172 received by Mr. Russell.

Four candidates were presented to the class with many flowery compliments from their ardent supporters. They were Morehouse of Fremont, Hascal of North Platte, Russell of Lincoln and Weaverling of Beatrice. Only

## THE UNIVERSITY OF COLORADO FOOTBALL SQUAD

The University of Colorado football eleven arrived in the city yesterday afternoon at 2:40 over the Rock Island without three of their star players, who were left at home on account of injuries that prevent their participation in today's game.

The injured men are Farnsworth, captain and center; Van Meter, star quarter back; and Weiner, full back. The absence of these men from the line-up today, the Colorado coaches claim has greatly weakened Boulder's chances of victory and has disheartened the other players. Captain Farnsworth is the star of the Colorado squad and the rest of the team feel that they will not be able to make a good showing against the Cornhuskers this afternoon. Farnsworth's shoulder is in bad condition and Van Meter has two broken ribs.

The Colorado party is composed of twenty-five men, twenty of whom are players, and is staying at the Lindell (Continued on page 4.)

carded the honor system as tried in the classroom at examinations and will return to the old faculty monitor system.

According to students, the honor system is impracticable at New Haven because of the size of the classes and the lack of provision for dealing with offenders. They also contend that there is no spare time in recitations and examinations for private detective work.

The Yale News says the action "is far in advance of many so-called honor systems, even though its result may not appear so tangible to the outside world."

### REGISTER STUDENTS.

This is the last day of registration and students are urged to register before night in order that they may vote at the November election.

Hot roast beef sandwich with rich brown gravy—almost a meal—10c. The Boaton Lunch.

In this campaign, a considerable turnout of Lincoln people is expected. Arrangements for engaging the University band are being made.

### A Purity Banquet.

The University of Wisconsin, following in the footsteps of the University of Chicago, has decided to hold purity banquets in honor of visiting football teams. This is one of "Old Man" Stagg's innovations, and has met with success here. It has also been commended by opponents of college athletics as a step in the right direction towards purifying inter-collegiate sports and eliminating the unfriendly rivalry which has been so prevalent hitherto.

The Engineering Society will give a smoker to all engineering students, the evening of November 16, at the Acacia house, 1216 H street. The freshmen are particularly invited to come out and get acquainted.

two of these men, however, were present at the meeting, as two of them were in the hands of the sophomores.

Last evening about nine o'clock a band of six sophomores broke into the room of Mr. Weaverling and after a severe struggle of five minutes duration succeeded in gagging and handcuffing him. He was led to a hack and triumphantly carried off. Even after entering the hack Mr. Weaverling continued the fight and broke several windows of the carriage.

Mr. Hascal was captured on his way home from the theater. He saw that it was useless to resist and so was quickly taken into a hack and whirled away to a place of safe keeping until after the meeting.

It had been planned that Mr. Elliott, the president of the Junior class, should preside over the meeting of the Freshmen. Mr. Elliott was attending a meeting of the debating squad at two o'clock when a messenger (Continued on Page 3.)
