did some snappy work and ran the plays off in good form. Minor, although much hampered by his injured knee was able to take his position a tright half and may play in part of the game this afternoon.

Coach Cole, last night would not venture any prediction as to the outcome of the game. He believes, however, that if the Cornhuskers play the same kind of a game as they put up against Minnesota two weeks ago they will be able to triumph over the Aggies.

Underclassmen of Indiana university will be obliged to pay admision to their annual class "scrap." The following is from the Dally Student:

"At the meeting of the freshmen and sophomore committees with the faculty committee, the underclassmen were informed that it was the trustees' order that the scrap would not be allowed to take place anywhere on the campus this year. The scrap will, consequently, be held on Jordan Field. Participants will be admitted for twenty-five cents."

**BRIGHTON** FLAT CLASP **GARTERS**

The grasp of the clasp is easy. It's flat—the only absolutely flat clasp garter is the Brighton. Millions of men know this—buy them and wear them. The wear is there, and they cost only a quarter a pair. Remember it.

Brightons are made of pure silk web. The patterns are new, exclusive—variety enough to satisfy everybody. All metal parts are of heavy nickel-plated brass. If your dealer can't supply you, a pair will be sent upon receipt of price.
