LINCOLN-HARLAN.

Reports From the Kansas Game Will Be Received.

The Lincoln high school football team will meet the high school aggregation from Harlan, Iowa, on Nebraska Field tomorrow afternoon. The game will be called at 3 o'clock sharp. The Harlan school has a heavy team this year but it is thought that the defenders of the Red and Black will outplay the visitors by superior team work. Coach Temple's boys played a practice game one day this week with the University sophomores and were able to hold the sophomores to a tie game of five each. The Lincoln team is much stronger than it was when it played the Des Moines team last month. A hot game is expected.

All reports from the Nebraska game at Lawrence will be received and bulletins read. All plays will be carefully announced so that patrons of the Lincoln game can enjoy two games at once. It is now certain that a great many University men will attend the high school game.
