## JUNIORS LOSE.

Sophomores Prove to Be Strong and  
Win 11 to 0.

In a stubbornly contested game, full of hard line smashing and end runs, mingled with an occasional forward pass, the Sophomores triumphed over the Juniors yesterday afternoon by the score of 11 to 0.

The Juniors played on the defensive the greater part of the game and were unable to check the rushes of the Sophomores. On about the Junior 20-yard line the Sophomores tried a forward pass, which was blocked by a Junior, but Slaughter, playing left end for the Sophomores, recovered the ball and ran for a touchdown. Goal was kicked. Sophomores 6, Juniors 0.

Failing to gain through the Sophomore line, Bell was forced to punt. In whirlwind fashion. Slaughter caught up the ball and fell over the goal line in the northwest corner of the field for a second touchdown. Failing to catch the kick out, forfeited the try for goal. Score: Sophomores 11, Juniors 0.

By hard line smashing by Wong-erlen, Wood and Gallup, the Juniors carried the ball to the Sophomore 15-yard line. Here the Sophomores braced and Bell executed a pretty drop kick for goal. It looked good, but was not allowed by the referee. This was the only chance the Juniors had to score.

No score was made in the second half, the playing being mostly in the center of the field. Sturzenegger for the Sophomores tried for goal, but the kick was blocked. The Sophomores were able to make long gains thru the Junior line and around the ends, Price, Sturzenegger and Lantz carrying the ball. The Juniors fought pluckily, but were unable to stop the battering machine of the Sophomores. The line-up:

## FRESHMEN.

Class Meeting to Be Held Tuesday Morning.

The Freshmen will hold a class meeting Tuesday at 11:30 o'clock, at which time different matters of interest to Freshmen will be taken up and disposed of.

The Freshman Hop Committee will be announced, a Class Cap Committee will be appointed and class colors will be selected. It is important that every Freshman be at the meeting next Tuesday, as these are matters which should be decided by the majority of the class.

The class of 1911 has certainly made a nice start so far and seems to contain all the material necessary to make everything it undertakes a success. At its first informal held last Saturday evening, there was a capacity crowd and the members of the committee report that the informal cleared about \$20 to the class after all expenses had been paid. It is up to the members of the class to turn out to their class meetings as well.
