A NEW COURSE.

The Department of Greek offers a new course for the second semester. This course will be known as "Greek in English"—Course 2b—and will emphasize the study of English words, especially modern scientific terms, derived and borrowed from the Greek language. It is intended primarily for those who may wish to obtain in one semester a fair knowledge of the Greek elements in our own language. It may also be used as preparation for second year Greek (course 3). It will be a five hour course—Daily at 11:00 in U. 201, by Professor Lees.

Consultation any afternoon, office, 215 U.

There will be a mass meeting of men at St. Paul's church Monday night under the auspices of the Brotherhood of St. Paul. The Hon. G. W. Berge will lead in the discussion on "Religion and the Church."
