if breakfast and lunch were made only light "snacks" and meat eaten but once a day, at dinner, and then but moderately. Indeed, for some two meals a day would be better still.

Though the habits of appetite are hard to overcome, no one who has once formed habits of moderation in diet ever regrets it for his health, strength, and comfort are enormously increased.

The authorities of the University of Michigan have taken steps toward improving the English used by students in the liberal arts college in their theses and other written work. Every student who is found to be defective in this respect is to be reported to the head professor of rhetoric, who will prescribe a certain amount of work to be done in the department without credit. The plan is based on the one in use at the University of Chicago.

BRIGHTON FLAT CLASP GARTERS

The grasp of the clasp is easy. It's flat—the only absolutely flat clasp garter is the Brighton. Millions of men know this—buy them and wear them. The wear is there, and they cost only a quarter a pair. Remember it.

Brightons are made of pure silk web. The patterns are new, exclusive—variety enough to satisfy everybody. All metal parts are of heavy nickel-plated brass. If your dealer can't supply you, a pair will be sent upon receipt of price.
