KANSAS WINS ONE.
(Continued from page one.)
Rah" with invigorating effect. The Cornhuskers took a remarkable brace and for a while it looked as if they would overcome the lead of seven points and snatch the game from the fire. The brace came a trifle too late, however, for the Jayhawkers were still two points in the lead when the final whistle blew.

The Kansas team comes to Lincoln flushed with the remembrance of recent victories and stinging from the two defeats they have already suffered this season at Nebraskas hands. Last evening's game makes the seventh game they have played on the present trip and it is also the sixth victory they have won. The games they have played on this trip are:
K. U., 34; Kansas City Athletic Club, 32.
K. U., 36; Warrensburg Normal, 16.
K. U., 30; Missouri, 19.
K. U., 26; Missouri, 22.
K. U., 17; Des Moines Y. M. C. A., 34.
K. U., 53; Ames, 35.
K. U., 28; Nebraska, 26.
Tonight's game promises to be even more exciting and fiercely contested, if possible, than was the game last evening. If Nebraska wins it she will have a clear title to the Missouri Valley championship, while if Kansas wins the two schools will have won two games apiece and the honor will have to be divided between them.
An informal dance will be given in the Armory after the game in honor of the visiting players and a large attendance is anticipated.

The Harvard Medical School
With the completion of the new buildings, which were dedicated September 25th, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unequaled in this country. Of the five buildings, four are devoted entirely to laboratory teaching and research. Numerous hospitals afford abundant opportunities for clinical instruction in medicine and surgery.
COURSE FOR THE DEGREE OF M. D.
A four years' course, open to bachelors of arts, literature, philosophy or science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches.
The next school year extends from October 1, 1908, to June 24, 1909. The diploma of University of Nebraska is accepted for admission. For detailed announcement and catalogue, address

K. U. HAS 2,000 STUDENTS.

The Goal for Which Its Friends Have Been Striving Reached.
The enrollment at the University of Kansas passed the 2,000 mark late yesterday afternoon and at noon today stood at 2,013, says a Lawrence dispatch of February 11. This excludes all duplicate registrations and represents the actual enrollment at the university. Henry H. Miller of Fort Scott, a junior in the engineering school, was the 2,000th student to enroll. The registration was going on rapidly this morning and before the second semester enrollment is in, the total will be around 2,050, Registrar predicts.
