It wasn't Freshmen, either, who did the scrambling. Come, let us be civilized.

In speaking at the Y. M. C. A. feed the other night of the athletic achievements of "Dad" Elliott, Jorgenson said that when in college the international

BRIGHTON FLAT CLASP GARTERS

The grasp of the clasp is easy. It's flat—the only absolutely flat clasp garter is the Brighton. Millions of men know this—buy them and wear them. The wear is there, and they cost only a quarter a pair. Remember it.

Brightons are made of pure silk web. The patterns are new, exclusive—variety enough to satisfy everybody. All metal parts are of heavy nickel-plated brass. If your dealer can't supply you, a pair will be sent upon receipt of price.

President King of Oberlin, in a recent address to students, forcibly expressed what he considered the "fine art of living" by expressing ones personality on others.
