## ELLIOTT TONIGHT

ONE OF NORTHWESTERN'S REPRESENTATIVE MEN.

Man Prominent in Many Activities Will Speak Tonight on "The Pace That Wins."

"Wire pulling" is usually looked upon with more or less disfavor by honest, upright folk. Despite this fact the University Young Men's Christian Association confesses its guilt in this particular, for the officers of that organization have laid as many wires as possible and worse than that, they have pulled them hard and often in order to get "Dad" Elliott to visit Nebraska and address the students.

Now, with a clear conscience we can proceed to tell you more about "Dad."

Considerable mention has been made in these columns about the speaker's athletic prowess so nothing further need be said about that now. "Dad" carried the spirit of determination that makes a successful athlete into his work. At Northwestern Universi-

ty he was a member of the Delta Tau Delta fraternity and also of the Durm Society, which corresponds to our innocents. He was appointed to the oratorical contest from the school of oratory, and during commencement week he was class marshal by faculty appointment.

"Dad's" whole college life was marked by an active interest in the Y. M. C. A. work at Northwestern.

A prominent Brooklyn man said of "Dad's" work in connection with the Y. M. C. A. of that city: "Dad" Elliott exerted a greater influence over, and had a stronger grip on the young men than any other man in this city."

Since graduation, he has been constantly with young men, both in cities and colleges and everywhere has won their respect and good will. The University men who heard "Dad" at the Norfolk state convention this year are unanimous in their enthusiastic praise of the man and his message. He has a direct, forceful, earnest and manly

### MAKES NO DECISION.

#### Athletic Board Refers Election Matter To Committee.

At yesterday's meeting of the athletic board, the proposed change in the method of electing the student members of the board was referred to a committee consisting of Captain J. G. Workizer, H. W. Craig and R. B. Murphy. This committee was ordered to report as soon as convenient, at which time the board will finally decide the matter.

Much interest has been aroused over the suggested adoption of the new plan. However, the whole matter will now be held in abeyance until the committee makes its report.

Claude Alden, '08, was elected captain of the track team in place of Burruss, who is not in school, and Earl O. Eager was reappointed graduate-manager of athletics. A committee was also appointed to pass upon the advisability of engaging an assistant manager for next year.

#### Mr. J. A. Warren Lectures.

Mr. J. A. Warren, agricultural explorer of the department of agriculture at Washington, gave a talk before the class in agricultural geology yesterday. Mr. Warren is registered for third degree work in the University of Nebraska, the subject of his thesis being "Agricultural Geography of the Central Great Plains."

Mr. Warren has surveyed a considerable portion of this region and has become acquainted with its development and agricultural possibilities. The lecture before the class was well received and pronounced of practical value to the class.

#### Notice.

"Gringoire,"—The Littlest Girl, Mrs. Poddington's Nieces, Comedy and Tragedy,—has been postponed to March 28 instead of tomorrow.

### BASKET-BALL GIRLS.

#### Entertainment Provided for Minnesota Girls During Visit to Lincoln.

The Minnesota girls' basket-ball team is expected to arrive in Lincoln this morning over the Burlington from Omaha. Various plans, of not too taxing a nature, have been arranged by the Lincoln players for the entertainment of their guests. This afternoon an informal reception will be given in the Y. W. C. A. parlors in the Temple from four until half-past five for the Minnesota players. All University students are invited. In the evening a small informal dance will be given to the Minnesota team at the Kappa Alpha Theta house. Saturday morning the visitors will be given opportunity to practice in the Armory, after which they will be taken automobiling. Saturday noon the players of the two teams will have luncheon together at the Lincoln hotel.

The Minnesota players will be entertained, during their stay, at the Alpha Omicron Pi, Kappa Alpha Theta, Kappa Kappa Gamma, Alpha Phi and Chi Omega houses. Too many or too fatiguing social functions have not been planned for them, in order that they may be fresh for the game Saturday night. The patronesses for the latter occasion will be Governor and Mrs. Sheldon, Prof. and Mrs. E. H. Barbour, Dr. and Mrs. J. E. Tuttle, Col. and Mrs. C. J. Bills, and Miss Anna Rogers.

Between halves of the game, the tambourine dance and the Swedish folk dances will be given by advanced gymnasium classes, and Miss Adams will dance the "Maid of the Mist."

Baked beans, baked on the premises and served hot with delicious brown bread, 10c, at The Boston Lunch.

The Chicago White Sox are playing a series of games with the University of California team.

DAD ELLIOTT

FRIDAY, TEMPLE AUDITORIUM

## IVY DAY PROGRAM

SENIORS RATIFY ARRANGEMENT OF THE COMMITTEE.

Program to Be Held On the Campus in the Morning and at State Farm in the Afternoon and Evening.

The senior class met in Memorial hall yesterday morning at 11:30. Several business matters of importance were acted upon. Most of the time was spent, however, in consideration of the Ivy Day program, which will be held either on May 13th, or May 20th. J. C. Knode, chairman of the Ivy Day committee, reported that the committee had arranged a program which, if it was satisfactory, would probably be carried out as follows:

#### On the Campus From 9 to 12.

University Chorus.  
Ivy Day Oration—J. M. Swenson.  
Class Song.  
Class Poem—Alice Rudersdorf.  
The Planting of the Ivy.  
May Pole Dance.

#### At the State Farm.

2:30-5—Inter-Class track-meet.  
5-6—Band concert.  
6-7—Basket lunch.  
7-8—Four ten-minute class programs.  
8:00-8:30—The Steckelburg Orchestra.  
8:30—Play by the senior class, "The Three Chaffeurs."

This program provides for six events in the morning and six in the afternoon and evening, which is entirely different from any previous Ivy Day program. The inter-class track meet will be participated in by representatives of all four classes and 'varsity and non-varsity men. The individual winning the most points will be given a cup or some appropriate prize and the best all-round athletes will be given jerseys. Another novel event is the four ten-minute programs in which also the four classes will be represented. Committees for the classes will probably be appointed within the next few days to arrange for these programs, which may be dramatic or "otherwise."

It is not certain whether the senior class can arrange to give "The Three Chaffeurs," but it is probable they will.

The committee has planned to have a large platform erected in the State Farm grove for the "stunters" and to swing electric lights in profusion. Ample provision will be made for a large crowd and Ivy Day will be "celebrated" as never before.

To defray the expenses incurred, the class voted a twenty-five cent assessment and instructed the auditing committee to collect at once.

The programs will be presented for ratification to the junior class and then the sophomore and freshmen classes. The committees appointed by these will work with the senior committee.

Mr. Purcell reported that the senior play was progressing nicely and that the members of the cast were working earnestly. It was decided to establish a permanent treasury for the "Cornhusker." If the junior class favors this a joint class meeting will not be held.
