Clothes for the Young Man of Today

Young men are demanding clothes of altogether different type from men of more mature years. To this end we have designed for us models that embody radical style features and they have proven decidedly popular with the college fellows. The new tan and brown effects predominate and are most fitting colors for spring wear. **\$15, \$18, \$20, \$22 and \$25**

fraternity. Professor Caldwell declined because he "does not believe in making distinctions of that kind and prefers to remain a democrat." Dr. Howard, who graduated in '76, was offered the honor a few years ago while holding the chair of history at Leland Stanford. He refused on principles which he still holds, saying in part, "While I do not censure anyone for accepting the degree, I declined it because I think giving such distinctions tends to lower standards by causing students, in the scramble for the honor, to be led into the habit of choosing 'snap courses.'"

These nine cases, ranging from 1876 to 1888, and not being a complete list of such cases at Nebraska, thus clearly robs the Californian of the distinction of being "the only one of his kind."

Board of Inspectors Meet.

Inspector A. A. Reed has gone to Chicago to attend the meeting of the Board of Inspectors of the North Central States of the Commission on Accredited Schools and Colleges, and of the North Central Association of Colleges and Secondary Schools, March 25-27. Important changes in the definition of units for admission to colleges and a plan for inspecting colleges will be considered. Last year nine secondary schools were accredited to the North Central Association, Beatrice, Brownell Hall, Fremont, Grand Island, Hastings, Lincoln, Lincoln Academy, South Omaha, and York. Several more will probably be admitted this year.

Notice.

Candidates for the University teacher's certificate in June are requested to fill out the application blank which can be obtained from Professor Luckey, secretary of the Teachers' Certification Committee. This final announcement is made in order to reach all eligible candidates who have not yet applied.
