Dr. Clapp, D. C. Mitchell, and H. G. Schmidt.

Quite a bit of excitement was started around school yesterday by a rumor that Dr. Clapp had resigned. He has been the foundation of athletics here for so long that the prospect of losing him would be very distasteful. It was the resignation of Mrs. Clapp which was handed in. The announcement of her resignation meets with the sincere regret of both the faculty and the student body, because her connection with athletics among the women has been of very great benefit both to the women and to the school. Her resignation is effective September 1st.
