

'Tis Easier to Save \$2 to \$5 Than to Earn It

"Show me" where to save, you say. Just step into our store. Here we will show you hundreds of chances--just as many chances as there are Suits, Overcoats and Raincoats in our popular priced lines, at

**\$10, \$15, \$20
and \$25**

Every Garment Saves You \$2 to \$5

Not just the same as the Suits and Overcoats others sell for 20 per ct. more, but superior to them. Most of the high-class tailoring houses that supply us with men's apparel sell to us exclusively--preferring our immense orders at low prices to uncertainties.

**We Stand Equally Well With
All Classes of Clothes
Buyers**

BUSINESS AND PROFESSIONAL MEN, because we give them the garb of gentlemen for so much less than the charges of the high-class custom shops; YOUNG MEN because the clothes that we supply have all the jaunty new touches that stamp them as strictly up to date; MECHANICS AND OTHERS, who work at the trades or in the shops or on the farm, because we make their wages go so much farther when they buy new clothes; FOLKS IN GENERAL, because the great majority of mankind likes to dress well but have to think twice before they let their dollars go--and have found that this store--The Armstrong Store--always gives long-time satisfaction.
