series with the Greenbacks. Rodman has much speed, but is equally wild, and lacks experience. This handicap will probably necessitate his playing another year before he gets the honor "N." The other places are all satisfactorily filled. Beltzer at third, Sleuter in left field and Bellamy in center are fixtures. Jennings has put a pambok on the right field gate and it looks as though he would stick. Watson is playing a stellar game at short, and if Dudgeon can't play second, Clark or Waters can, there being little choice as far as fielding is concerned.
