Entered at the postoffice at Lincoln, Nebraska, as second-class mail matter under the Act of Congress of March 3, 1879.

If the tariff fosters the trusts why not give the government power to remove it when the trusts refuse to come to time.

Among the various organizations in school there ought to be a Doers Club. This society should take in members about the last month of school and should have the reputation of being the most honorary affair in the University.

The plan of selling three dollar tickets to all athletic contests ought to be given a fair trial and the only way for the students to give it this trial is to purchase their tickets as soon as school is open next fall. The plan is democratic, placing tickets within the reach of everyone and at

graphical and astronomical conceptions, the ideas of number and geometrical space, atomism, mechanism, scientific causality, etc., as leading to and shown in the modern conceptions of the physical universe. The origin and development of the evolutionary conception and its social and ethical bearings. The ideal of scientific method and achievement; the scientist as a citizen. Designed primarily for students of special sciences and for literary students desiring a general view of the significance of science. Two hours attendance. Two hours' credit. First semester.

7a. Continuation of Course 7. Second semester.

12b. Greek Philosophy.—A study of the rise of European thought in the Mediterranean basin. The Mediterranean races; origins of civilization; religious and mythical thinking; scientific conceptions; the history of Greek speculative thought, especially in its relation to ancient life, and literature. Attention in detail will be given to Plato and Aristotle, to the ethical schools, and to the influence of Oriental upon later Greek thought. Designed for advanced students in philosophy and students of the classic languages and literatures. Two hours' attendance. Two hours' credit. First semester.

12c. Continuation of Course 17. Second semester.

15. Philosophy of Criticism.—Analysis and history of such fundamental critical conceptions as idealism, realism, classicism, romanticism, etc., origin and growth of artistic instinct and expression, psychology of the imagination, genesis of the different types of aesthetic expression; the ethical meaning of art. In connection with this course Aristotle's Poetics, Longinus On the Sublime, and other famous treatises will be read (in English). Two hours' attendance. Two hours credit. First semester.

15 a. Continuation of Course 15. Second semester.

15b. Humanism.—Historical phases

A Souvenir Spoon

would be just the thing for a graduation remembrance—or, when you leave take one home with you. There is something so "tasty" and so pleasing about a souvenir spoon. They are serviceable too. We have an elegant line to pick from—Uni as well as Lincoln.

HENDERSON & HALD, 132 NO. 10TH STREET

the same time putting the finances on a more solid basis.

Department of Philosophy.

The Department of Philosophy announces the following changes and new courses for the next semester:

Course 2. Experimental Psychology.
Course 5. Genetic Psychology.
Course 9. Special studies in Experimental Psychology.

Course 23. Psychological Seminary, will be given by Professor Wolfe.
Course 11. History of Philosophy.
Course 13. Practical Ethics will be given by Professor French.

Course 19. Advanced Metaphysics, Professor Hinman, will be a three-hour course running through the year.

Professor Alexander announces the following courses for next year:

7. Problems of Philosophy and Science—The development of geo-

of the conception of culture. The Graeco-Roman ideal of enlightened living; humanism of the Italian Renaissance; the eighteenth century "Enlightenment" and political humanitarism; the metaphysical humanisms of today, with special reference to the pragmatistic conception of human efficiency as shown in the "Humanism" of Schiller and the "Pragmatism" of James. Two hours. Second semester.

Seniors, Attention!

The 'Varsity Backstop

A Catcher on a college nine cannot be too careful about the Mitt he uses—the *Big Game* may depend on his ability to hold the ball. The majority of 'Varsity Backstops, like the majority of the great League Catchers, use

Reach
Catchers' Mitts

The arrangement of padding and deep hollow holds the ball every time. Reach Catchers' Mitts are made in rights and lefts, and range in price from 25c. to \$8.00 each.

The Reach Ball

has been adopted by the great American League for a ten year period. It is also used by all the big 'Varsity and Prep. School Nines.

The Reach Guarantee

The Reach Trademark on all Sporting Goods is a guarantee of quality. It means satisfaction, a new article or your money back (except on Balls and Bats under \$1).

The Reach Official Base Ball Guide for 1908

Now ready—contains playing rules of the American and National Leagues. History and action pictures of the 1907 World's Series. 10 cents at dealers or by mail.

If not at your dealer's, we will fill your order direct on receipt of price.
