## HOLD A LIVELY RALLY

ENTHUSIASTIC CROWD STIRS UP THINGS FOR MINNESOTA.

## ROUSING SPEECHES ARE GIVEN

Coach Cole, Dr. Condra, Dr. Maxey, Captain Harvey, "Pip" Cooke, Earl Eager, Ernest Kroger, and Zelda Branch.

Some rallies held at Nebraska have been better attended, but few had a better display of enthusiasm and real old Nebraska spirit than the one which took place in Memorial hall at 7:30 last evening. It was a real enthusiastic occasion upon which the loyal Cornhusker supporters let loose their spirit and "stirred up things" for the football team and the excursion to Minnesota, Friday.

The hour at which it was held kept down the attendance but the crowd filled the lower floor of the hall and the first five rows on each side of the gallery. Many of those who were there had just come from distant places in the city to show their enthusiasm for the team, and they did it in the right way. The team, if before last evening it had felt that the students were not "behind it," had changed its opinion after the rally.

### Much Cheering.

The crowd cheered all the speakers and every mention of defeating the Gophers was the signal for loud shouting and clapping of hands. The students made it plain that they all feel the Cornhuskers are going to triumph at Northrop, Saturday afternoon. They all realized that this is a golden opportunity in the history of Nebraska football and they endeavored to give vent to their appreciation of that fact by doing the right thing in the line of rooting.

Short speeches were given by Dr. Maxey, Coach Cole, Dr. Condra, Manager Eager, Captain Harvey, "Pip" Cooke, Ernest Kroger, and Miss Zeld Branch. The rooters demanded that "Bill" Chaloupka address them, but when they started the cry "Chaoupka," the big tackle fled from the building in consternation.

Manager Eager was the first speaker to address the crowd. He explained the plans for the excursion to Minnesota saying that the train would leave Friday evening at 6 o'clock, arriving in Minneapolis early the following morning. He said the tickets for the round trip were \$7.20 and could be secured at Harry Porter's store on O street. On these tickets the passengers may return on any regular train out of Minneapolis up to and including the 8 o'clock special Sunday evening.

### Dr. Maxey Makes Speech.

Dr. Maxey was called upon and after telling a story gave an interesting talk on the prospects of the team, winding up his remarks by declaring that he thought Nebraska would get the skins of the Gophers.

Coach Cole was the next speaker and amid great applause found his way to the platform. He made an earnest appeal to the students to get behind the team and show it that Nebraska "had the spirit." He thought Nebraska's chances of winning over the Gophers very good.

Captain Harvey gave a short talk, saying that he felt the team would win and all the members appreciated the support of the students. "Pip" Cooke in his talk said this would be his third trip to Minnesota. The team had always shown the Gophers a good time on the other occasions, but this trip would do better than show them good time—it would win.

### Kroger and Rooting.

Ernest Kroger explained how much help good rooting is to the players,

and related how in the Ames game last fall he was pretty much discouraged after the Aggies had made their touchdown, and how when he heard the rooters singing "Fight for Nebraska, Nebraska must win," that he decided to fight and win.

Dr. Condra gave a good talk, making an appeal to the students to show the right kind of college spirit, and to help the team win by going to Minnesota and showing the players that everybody is with them in this great game.

The final speaker was Miss Zeld Branch. She said she wanted to see a large crowd of rooters go with the team to Minneapolis and help the team win. She thought the Cornhuskers could win with good rooting behind them.

## NEBRASKA TO BE REPRESENTED.

Six Delegates Will Go to Columbus Bible Conference.

The first international student bible conference will be held in Columbus, Ohio, from October 22 to 25. Nebraska Y. M. C. A. will be represented by six delegates, the full quota allowed to schools of Nebraska's class. The delegates selected at last night's cabinet meeting are as follows: J. L. Der Kinderen, general secretary; E. W. Hills, president; W. H. Reynolds, chairman of bible study committee; M. V. Arnold, bible study committee; Professor F. D. Barker, member of advisory board; and L. C. Oberlies, religious work director at the City Y. M. C. A., who goes as an alumni member.

It is the purpose of this conference to bring to the attention of the students of North America, as never before, the mighty message of the Bible to individual and national life, to secure through the assistance of college faculties, alumni and influential students a greater development of North American student Bible work.

Mr. John R. Mott, the great world student evangelist, will preside over the conference and such men as Bishop W. F. McDowell, of Chicago; Prof. H. B. Wright, of Yale, and Robert E. Speer will take part in the program.

Every institution of high learning in North America is entitled to at least one delegate. Nebraska, is entitled to six and will send that number. There will be about 1200 delegates altogether and there is no question but that the influence of this gathering will be felt in the life of the church throughout the entire world.

## MISS TAYLOR TALKS TO GIRLS

Y. W. C. A. Bible Study Course Being Well Received.

Many university girls are availing themselves of the opportunity to hear Miss Angy Manning Taylor of Chicago, who is conducting a special bible study course under the direction of the Y. W. C. A. this week. Miss Taylor's clear, logical method of presenting her talks appeals to the student mind, her winning personality having much to do with impressing the hearer with the worth of what she says. She is sincere in her belief and her familiarity with her subject is unquestioned.

Monday Miss Taylor discussed the study of the bible as a book, in the same manner as any other book would be studied. Miss Taylor then proceeded to analyze the gospel of John. Yesterday Miss Taylor taught from the first four chapters of John. Each noon this week Miss Taylor speaks at the Y. W. C. A. rooms from 11:50 to 12:10, and each afternoon from 5 to 6 p. m. she will speak in the Science hall of the Temple.

### Notice Engineers.

The engineering society will hold its regular meeting tonight at 7:30 in the science hall of the Temple. All engineers are urgently requested to be present.

## TEAM IS IMPROVING

PUTS UP FAST GAME AGAINST SCRUBS AT ANTELOPE.

## BEST DEFENSE SHOWN SO FAR

In a Hard, Fast Scrimmage the 'Varsity Regains the Confidence of the Rooters—Leaves for North Tomorrow.

For the first time in over a week the 'varsity last night put up an exhibition of real football during the short scrimmage work which was indulged in. After the rather heartless work which the squad put up last week, which was doubtless occasioned by the continued inclemency of the weather, the hard, fast play which they indulged in last evening went far to restore the confidence of both the players and rooters in the ability of the Cornhuskers to humble the Gophers next Saturday.

Early in the season not a person could be found among the host of Nebraska's "faithful" who would consider for a moment the possibility of Nebraska's suffering defeat at Minnesota's hands this year. An unprecedented number of experienced, letter men had returned. Both on paper and in practice the team looked to be a winner. This spirit of optimism prevailed until after the Doane game, which proved to be a romp for the Cornhuskers, who won by 43 to 0.

This easy win by the team and their alleged invincibility seemed temporarily to fill "King" Cole's pupils with a spirit of overconfidence and accordingly the squad went through a short period in which there was a slight let-up in hard, persevering work. It is an experience which every team goes through at some stage of the game, and it often occurs more than once during the season.

### Have Hit Their Pace.

In addition to working hard, as they have been doing individually, the men are now working hard as a team; they are getting together on plays, and judging from last evening's scrimmage, they have hit a pace which will bring them victory Saturday as well as in the later games of the season. The whole team seems to be possessed with the desire to get into the game and do something and they certainly did it last night. The 'varsity put up the strongest defense which they have exhibited this year and only occasionally were the scrubs able to make any distance. The 'varsity line was impregnable and not only were the scrubs unable to gain through it, but frequently the 'varsity forwards would break through and stop the scrubs for big losses.

Chaloupka and Frum both showed up spectacularly yesterday in carrying the ball, as well as on defensive work. The center trio, Harte, Collins and Ewing, were a veritable stone wall and the scrubs could find no openings through them at all. Captain Jim Harvey and Johnson on the ends put up their usual classy exhibition. On account of Beltzer being out of the game with a sore shoulder, they were not called upon to receive any forward passes, but on the defensive as well as in interfering on the offense, they delivered the goods. One characteristic of Captain Harvey's playing is an especially good one to follow: On the offensive, in interfering he goes after a man and stays after him, making sure that he is down and out so far as stopping that play is concerned. The captain never lets up on his man until the ball is down and the whistle has blown, and sometimes he forgets to stop even then.

### Backfield Changes.

In the backfield yesterday neither Kroger nor Beltzer were in the lineup on account of injuries received in the Grinnell game. Harry Minor ap-

peared again at left half and Sturtz-negger and Temple filled Kroger's place at full. Minor will have removed all his conditions this week and so will be eligible to play at Minneapolis Saturday. This is exceedingly good news, as with Kroger and Beltzer both on the hospital list, another halfback is badly needed. Hugo Birkner played at right half throughout the scrimmage and continued his excellent showing on the offense. With the advantage of speed and weight, Birkner has the stuff in him for an ideal halfback and he is demonstrating it at every scrimmage.

At quarterback, Bentley began the scrimmage, but after a few minutes retired in favor of Cooke, who ran the team with lots of ginger. "Pip" pulled off several of his sensational quarterback runs which last year so thrilled the rooters, and a stunt or two of this kind against the Gophers Saturday may be enough to win for Nebraska.

### Details of the Scrimmage.

The 'varsity kicked off to Musson, who returned 15 yards. On a delayed pass, Slaughter made 8 yards around left end, but on the next down the scrubs surrendered the ball to the 'varsity on an unsuccessful forward pass.

On the first down for the 'varsity Chaloupka was downed for a loss by Franck and was slightly injured. On the next play Frum made 5 yards around right end and Birkner followed with 15 more around the other end. The 'varsity failed to work the forward pass and were penalized 15 yards, retaining the ball.

Birkner punted to Hascall and on the first down the scrubs netted 10 yards on a forward pass. They failed to gain on a line buck and in attempting a tandem play they tumbled and Harvey fell on the ball.

Minor made 25 yards around right end and Birkner added 4 more on a cross-buck. The 'varsity got their signals twisted and when Collins passed the ball no one received it and Bentley fell on it for a loss of 10 yards. On a quarterback run Bentley was downed for a loss, but Birkner made 20 yards on a fake punt.

At this point Temple replaced Sturtznegger at fullback and Cooke went in at quarter. The 'varsity lost the ball on a fumble and it was the scrubs' ball on the 'varsity's 45-yard line. On an attempted quarterback run the scrubs lost 10 yards and then Slaughter was downed for a loss by Chaloupka. McCarthy made 10 yards on a delayed pass, but on the next play Harvey threw Slaughter for a loss of 8 yards. The scrubs attempted an end run, but fumbled and Bill Chaloupka got the ball and ran for a touchdown.

Shortly after this, "Pip" Cooke pulled off a sensational 65-yard run for a touchdown, recalling to the rooters some of his spectacular stunts last year. The coach gave the 'varsity the ball on the scrubs' 45-yard line. Temple made 4 yards through center and Frum made it first down by a good gain around right end. Cooke made 5 yards on a fake play and on the next down got away for his second touchdown, after shaking off and stiff-arming several tacklers.

The playing of the 'varsity throughout the scrimmage was the best of the year and evidently they are preparing to put up a game against Minnesota Saturday which will reward the Nebraska rooters for taking advantage of the excursion to Minneapolis.

The team will leave for Minneapolis over the Burlington at 6 o'clock tomorrow evening.

### Junior Football Practice.

Harry Ewing, guard on the Varsity team, will coach the juniors this year. Everybody who can play is requested to be out at the north side of the library next Thursday at 11 o'clock.

## APPOINT THEIR STAFF

EDITORS OF CORNHUSKER NOW READY FOR WORK.

## BOOK WILL HAVE NEW FEATURE

The Cartoon Department Will Receive Much Space and It is the Intention to Make Other Additions to the Annual.

The task of preparing the 1909 Cornhusker for publication has just begun with the selection of a staff and within a few weeks a large force of editors will be set to work getting "early" copy ready for the printers and making preliminary arrangements for securing photographs and other material for half-tones.

For several days Editor-in-Chief W. A. Robertson and Managing Editors E. W. Hills and R. S. Mosely have been busy selecting an efficient staff. The last selections were made yesterday and the complete list was given out in the afternoon. The editors in choosing their aids endeavored to get the representative students of the two upper classes. The number of students on the staff has been increased.

### Cartoon Department.

A department has also been made in the way of a cartoon, or artist staff, and the next Cornhusker will contain some clever drawings by the best artists in school and in the city. It is the intention of the editors to make the cartoon department one of the main features of the annual.

A meeting of the newly appointed staff has been called for this evening at 7:30 o'clock in Memorial Science hall of the Temple. Plans for the year's work will be talked over and an effort made to get the members of the staff to work at once gathering material for the next book.

### Staff Appointments.

The following students have been appointed to the staff:

1909 Assistants.—Helen Gray, Helen Day, Gertrude Nielson, Bess Holcomb, Lenna Timmerman, J. B. Johnson, Ivan Baker, G. H. Mattison, F. A. Jones, F. A. Crites, G. W. Peters, Ira Von Forell, E. D.
