

CROSS COUNTRY TEAM

PRELIMINARIES HELD AT THE UNIVERSITY YESTERDAY.

FINISHES WERE VERY CLOSE

Bauman, Gable, George, Amberson and Ratcliff Will Probably Compose Team Which Goes to Chicago.

Talon, Bauman, Gable, George, Amberson and Trump finished in the above named tryouts last night. The run was made to the state fair grounds, four times around the track and then back to the armory. The finishes were very close, the men finishing in bunches and in remarkably good time, the leader completing the five miles in 27 minutes and 47 seconds.

Twenty-eight contestants entered the race. Although the squad this year was the largest ever getting out for cross country work, the number who entered the preliminary were not above the ordinary, the men dropping out for various reasons in the last week. The men who participated are as follows: Abbott, Amberson, Ankey, Asbury, Bauman, Clark, Cusack, Dinsmore, Erskine, Gable, Hiltner, Huston, Levin, Lenard, A. C. and W. I. McGovern, Milek, Pattison, Parks, Patrasch, Drake, Norberg, Provenaznik, Trump and Ratcliff.

Start on Time.

The squad lined up before Dr. Clapp shortly before 4:30 and promptly on time they were sent off for a nerve-racking race of five miles. Dr. Clapp accompanied the runners on a wheel as did a number of the students. Bauman and Talon, the Fairbury boy, were about fifty feet ahead of the bunch, both sprinting hard at the close. It was neck and neck to within 50 feet of the finish when Talon drew away and finished about six feet in front of Captain Bauman. Gable, who finished third, was pretty tired. George ran a strong race throughout and finished easily.

Trump and Ratcliff were close up on the finish.

Melik, who finished eighth, was well in the lead clear up to the last few blocks, and would have finished with the first five but for an unfortunate "side ache" at the finish.

Talon is taking some freshman work, so it is possible that he will not be allowed to go to Chicago with the team in which case the team is composed of Bauman, Captain, George, Gable, Amberson and Ratcliff.

Make Good Time.

The time made in the try outs was highly encouraging to the coach and shows that although the team is minus the services of four veterans, yet it will be first class, the first six finishing better than twenty-nine minutes. The team will continue the work daily up (ill) the time of leaving for Chicago, where it meets Chicago and Wisconsin universities on Thanksgiving day. The Cornhuskers have carried off three out of four races in as many years, and chances are bright that they will again repeat the trick. By winning from Chicago and Wisconsin last year Nebraska became the permanent possessor of the cup which had been offered.

MORE SONGS FOR THE BIG GAME.

Interest in the Ames-Nebraska Popular Airs Increasing.

The following songs were received at the Nebraskan office yesterday:

(Air: "Base Ball.")

Co-ed, co-ed is football mad;
Has the fever, and has it bad;
Tells of the games that ever she saw,
And vows that she'll go up to Omaha
Just to root for the home team,
And root, and root, and root.

Chorus:
So its take me up to the football game;

Take me to Omaha,
There to root for the home team
And wire the news to—Pa.
Buy me some presents and cracker-jack—

I don't care if I never get back,
But let me root, root for the home team.

If they don't win it's a shame,
For it's one—two—three—four—
Co-ed, co-ed is counting the score.

Co-ed, co-ed sees all of the games,
Knows the players by their first names—

Buck and Harry, and Sid and Bill
Are household words on Co-ed hill;
Jim and Hugo, and Johnny and Pip—
She says them over with never a slip;
Talks of their records in all of the games,
And tells how they'll win over the Aggies from Ames.

Chorus:
Co-ed, co-ed knows well what to do
Just to cheer up a player or two;
Tells of the Gopher and the Hawkeye games,
And sniffs when you talk of the Aggies from Ames;

Tells how Chaloupka can always get through,
And ne'er slackens his pace for a hayseed or two.

Chorus:
(Air: "When Johnny Comes Marching Home.")

When Nebraska gets the ball, we yell,
Hur-rah! Hur-rah!
We cheer them on to victory,
Hur-rah! Hur-rah!

When the game is won, we count the score;
We sing to victory, forever more,
And we always cheer for
Dear old Nebraska U.

(Air: "Waiting for a Certain Girl.")
Ames, poor old Ames, How the game just meanders along—

When Nebraska makes their touch-downs
You will find that we are strong—
Ames, poor old Ames, you cannot score at all,
But Nebraska makes a touchdown
Nearly every time they get the ball.

In England there are no college papers. It is estimated that the college papers in America number about 300.

PREPARING FOR AMES

CORNHUSKERS ARE IN POOR CONDITION FOR AGGIES.

"PIP" COOKE OUT OF HOSPITAL

The Regulars Engage in the First Scrimmage Work Since the Hawkeye Contest—The Varsity Does Good Work.

Preparations for the big game with Ames next Saturday are going on vigorously at the state farm every afternoon. Yesterday the squad again assembled there and for the first time since the fierce Iowa struggle last week the varsity men were able to engage in scrimmage work.

The players are fast recovering from the lighter bruises which fell to their lot during that hard battle but the results of the severer hurts are still apparent on several of the regulars. Captain Harvey was pretty severely battered up in the Iowa game. He was pitted against Stutsman, the Hawkeye's big left tackle, and the latter proved to be a bad man to play against.

Coach Catlin had evidently schooled his men in all of the questionable methods which might by hook or crook be used in the game. They were versed in all of the ways of holding in the line, tackling roughly, using the hands illegally, elbowing and even slugging. Iowa had expected to win by virtue of their skill in straight football but, falling in this, they resorted to the means which have ever been inseparable from Iowa football and which have once already been the cause of Nebraska's severing athletic relations with the Hawkeyes; namely, the use of dirty playing. Nebraska's forwards were certainly being held and roughed, and "Bill" Chaloupka was put out of the game by a deliberate foul. Captain Harvey was roughed repeatedly and was badly battered up but gamely stuck until the finish.

In Poor Condition.

These are only instances of the treatment which was accorded the Cornhusker players and as a result of it they are in no fit condition to go into such a struggle as the Ames game promises to be.

"Johnny" Johnson is the possessor of a bad ankle besides innumerable "charley horses" and it is feared that these may tend to prevent him from putting up his usual classy exhibition. "Sid" Collins has a hand which is badly swollen and extremely painful and it is thought that it will trouble him during Saturday's game. The other forwards are not bothered with any serious injuries but none of them are enjoying what could be called perfect condition.

In the backfield the most serious cause for concern is the quarter back proposition. "Pip" Cooke was out of the hospital yesterday for the first time and it will be absolutely out of the question for him to play next Saturday. He has been in the hospital for two weeks and even if his foot were in good shape he would be in no condition to go into a hard game. Toit Bentley, who took Cooke's place in the Iowa game, received quite a serious injury and he was recovering as rapidly as could be expected, when last evening he was hurt again. If Bentley should be put out Saturday the Cornhuskers would be in a bad way for a quarter, since there is no one else who is competent to fill the place satisfactorily. Hascall has been playing good ball at quarter on the scrubs but his forward passing is inclined to be inaccurate and it is expected that the forward pass will be used considerably against the Aggies.

Harry Minor played some at quarter earlier in the season but his work at half back makes him infinitely more valuable in the latter position. Kroger, Beltzer, Birkner and Temple are in fairly good shape, so that on the offense at least, the Cornhuskers will probably be able to put up as good a game as ever.

for about twenty minutes of stiff scrimmage work and some of the new plays which will be tried against Ames were good for great gains against the scrubs. On four consecutive plays Chaloupka carried the ball fifteen yards and on the next down a forward pass to Birkner netted fifteen yards. The varsity attempted another forward pass but it failed and the scrubs took the ball.

On the first down Chaloupka broke through and tackled Briggs for a loss. A line buck netted the scrubs five yards but on the next down they fumbled and Ewing fell on the ball. On the first down the varsity attempted a forward pass which was intercepted by Frauck, who made the first touchdown for the scrubs.

The varsity was given the ball and on an attempted forward pass the ball struck one of the scrubs and was recovered by Chaloupka. Harvey was tackled for a loss, Beltzer made twelve yards on a fake punt, and on the next play Bentley was tackled for a two-yard loss. A forward pass to Captain Harvey made twenty yards, a line-buck added three more and on the next down Birkner went over for a touchdown. Bentley was hurt and went out.

Forward Pass Used.

The varsity was again given the ball and on the first down Minor was thrown for a loss. Harvey made fifteen yards on a forward pass and on an onside kick the scrubs secured the ball.

A forward pass to Chauner made ten yards and Franck made four on a cross-buck. Chauner made five yards around right end and on an attempted forward pass Beltzer caught the ball and ran for a touchdown. The varsity was given the ball in the center of the field and Kroger made ten yards on a forward pass. Harvey failed to gain. Several changes in the line up were made, Temple, Slaughter, Sturmer, Hascall and Carroll going in.

A forward pass failed and cost a fifteen yard penalty. Beltzer punted four yards to Powers, who fumbled and Carroll recovered the ball. Beltzer hit left tackle, got through a big hole which Johnson and Ewing made for him, and ran for a touchdown.

The scrubs took the ball and Gibson made twelve yards on a fake punt Carroll tackled Powers for a loss and Chauner failed to gain around right end. An onside kick netted ten yards, Gibson was downed for a loss and Franck made twenty yards on a forward pass. The scrubs failed to gain on a criss-cross and an onside kick was caught by Beltzer and returned five yards.

TEACHERS ARE HERE

(Continued from Page 1)

varsity visited old friends and familiar class rooms.

In the regular sessions the teachers will be entertained by speakers of note in the educational field. This evening Chancellor E. Benjamin Andrews, president of the association, will deliver an address and tomorrow evening President Benjamin Ide Wheeler of the University of California will speak. President Wheeler occupies a high place in the ranks of thinkers on educational matters and his address will probably be a thing of value to the teachers.

Minnesota has a club of women to promote equal suffrage for women. This club is a part of a national organization.

It is reported that if the water supply at Indiana does not improve very soon the school may have to be closed for a time.
