Murray Butler, president of Columbia university, and Hon. George Gray, a member of The Hague tribunal. The contest will close March 1, 1909. The conditions of the contest are as follows:
 For the purpose of this contest the term "International Arbitration" may be held to include all subjects mentioned in the "Convention for the Peaceful Adjustment of International Differences" adopted by the first Hague conference, and the amendments thereto adopted by the second Hague conference.
 Essays must not exceed 5,000 words (a length of 3,000 is suggested as desirable) and must be written, preferably in typewriting, on one side only of plain paper (ruled or unruled) of ordinary letter size (8x10 inches), with a margin of 1 1/4 inches. Manuscripts not easily legible will not be considered.
 The name of the writer must not appear on the essay, which should be accompanied by a letter, giving the writer's name, class, college and home address, and sent to H. C. Phillips, Secretary Lake Mohonk Conference, Mohonk Lake, N. Y., to reach him not later than February 28, 1909. Essays should be mailed flat (not rolled).
 The award of the prize will be made at the meeting of the Mohonk conference, in May, 1909, to which the winner will receive an invitation.

Varsity Race To Be Rowed Up the Hudson June 26.
 Announcement has been made that the inter-collegiate regatta of 1909 will be held on June 26 at Poughkeepsie. The day is the last Saturday of June, Wednesday is the day ordinarily selected, but the stewards have felt that it is impossible for a great many persons who desire to see the races to take a holiday in the middle of the week, so they have again decided to hold them on the last Saturday of the month.
 Contrary to the custom of previous years, the varsity race next year will be rowed up-stream. The start will be one mile below the bridge, at the point where the finish usually is made, and the finish will be four miles above, near Krum Elbow, where the start of the races heretofore has taken place. The tide necessitates this change, as it is running upstream when the race is scheduled to start.
 A library building, a physics building and an addition to the chemistry building were among the requests of the Missouri general assembly decided upon at the meeting of the board of curators of the University of Missouri, held at Kansas City Wednesday. Final decision was not made, as a quorum was not present at the meeting of the board.
 Nebraska fought a no-score draw with Minnesota, which caused the figure conners to figure that the Cornhuskers were as strong as the Gophers. Then Chicago drubbed Minnesota by a 29 to 0 score. The Gophers didn't look so good after that and by comparison Nebraska wobbled a bit. Next Minnesota held the Wisconsin "possuming" eleven to a 0 to 5 score and the Badgers later played Chicago a 12 to 18 game. Then the Gophers beat the Carlisle Indians 12 to 6. Yesterday the Carlisle braves severely trounced, 37 to 6, the Nebraska team, the aggregation that fought a draw battle with Minnesota, the eleven that defeated the Indians 12 to 6. Unravel the skein, if you can.—Kansas City Star.
UNIVERSITIES NOT FOR BOYS.
Dr. Jordan Says First Two Years' Work Should Be Transferred.
 David Starr Jordan, president of Leland Stanford, Jr., university, followed closely an idea expressed at the recent meeting of Nebraska colleges when he stated in a recent speech that "Universities should receive men, not boys." He declared that educators should separate the two lower classes from the two upper ones and that the present freshman and sophomore classes should be absorbed by the small colleges or supplementary high schools, making the junior year the first in university training.
