ARTHUR L. WEATHERLY, Minister.
 Service 10:30. Sunday School 12.
 All Students are cordially invited to attend its services.
ALL PEWS ARE FREE
 Sunday, Feb. 7—Sermon subject: "A Living Church."
 At 7:30: A meeting in Celebration of the centenary of the birth
 of Abraham Lincoln.
 The speakers and subjects will be as follows: Governor A. C.
 Shallenberger, "Lincoln, the Politician;" Professor L. E. Aylesworth,
 "Lincoln, the Man;" Rev. Arthur L. Weatherly, "The Religion of Lin-
 coln." Mr. A. J. Sawyer will preside.
 All Souls' Church is a free fellowship for the worship of God and
 the service of Man. It judges no man's character. It erects no bar-
 riers of creed or doctrine. Its pulpit is a free pulpit comitted to
 the search after Truth.
 The approaching centenary of the birth of Abraham Lincoln
 offers an opportunity not only to honor his memory but also to pro-
 claim again the value of the ideals for which he stood. Lincoln was
 the great democrat. He believed in the people. His faith in them
 was no less than his faith in God. Because of a desire both honor
 the memory of Lincoln and to emphasize his ideals All Soul's Church,
 Unitarian, Corner of H and 12th St., will celebrate the one hun-
 dredth anniversary of his birth on Sunday evening at 7:30. Govern-
 nor A. C. Shallenberger, Prof. L. E. Aylesworth, and Rev. Arthur L.
 Weatherly will deliver addresses.

THREE REQUIREMENTS FOR ALL STUDENTS

You need reliable, original and complete material for written or spoken
 work. You also need books and magazines. And later a summer or permanent
 position, which you should plan for now, before all the best openings are filled.
 Here is the way to get all three at a minimum of effort and expense.

We Are Dealers in Facts

We furnish the best information obtainable on any subject in school, college
 or club, in business and public affairs. Our work is accurate, complete and to
 the point, carefully typewritten, promptly supplied, and arranged in suitable
 form, with outlines, bibliographies and full references.
 We not only have in our own force highly-trained investigators and special-
 ists in various lines, but we have made a business of "knowing the men who
 know" and by means of this system of knowing "Who's Who for Efficiency"
 we can go straight to headquarters for authoritative information and expert
 advice.
 Added to our large stock of information on hand and our means of obtaining
 authentic information, we have a highly efficient system of sifting, arranging
 and presenting our facts in form that exactly meets individual requirements—
 that would exactly meet your needs.
 We are especially strong in political science, economics, sociology, anthropol-
 ogy, fine arts, literature, applied science, commercial geography, travel and
 exploration, international law and diplomacy, history, foreign affairs, interstate
 and foreign commerce, financial and industrial conditions, and public problems
 and live questions of the day.
 The cost is less than might be expected. Our charges for new and original
 material are at the rate of two dollars for each thousand words furnished.
 Quality of work guaranteed, or money refunded. Methods, references and quo-
 tations on important investigations furnished upon request. (We have thou-
 sands of articles on hand which we offer, subject to prior sale, at \$1.50 per
 thousand words. Send for price list.)

A Desirable Position for You

If you are wise, you are already planning about a summer or permanent
 position or about an opening in the professions or independent business. To
 introduce our service to you, we will give you advice, information and real
 assistance along these lines without charge (from now up to the time you se-
 cure a desirable position) if you send us a five dollar order for information,—
 i. e., 2,500 words or over at \$2 per thousand.
 In our official capacity, we come in touch with boards of trade, chambers
 of commerce and other local and general organizations of employers, as well
 as large corporations and other concerns, educational and other institutions,
 municipal, state and other governmental departments. We are thus in a po-
 sition to know of positions of all kinds everywhere as well as opportunities for
 starting out in independent business or professional lines.
 No red tape, no commissions, no strings are attached to this offer. It is
 free and unconditional. This information we gain about positions is simply a
 valuable by-product of our regular information business, and we use it to
 attract, help and thus hold customers. We do for you all that any regular
 employment agency can do, with this important difference—we ask you to sign
 no involved contracts, pay no fees or commissions, and incur no other obliga-
 tions.

Books and Magazines Free

As a further inducement, with every five dollar order for information we
 will give free, in addition to the employment privilege, any book or a year of
 any magazine you specify, the publishers' price of which is not over one dollar.
 With a ten dollar order for information, we will give \$2 worth of books or
 magazines; with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25
 order, \$5 worth; and so on. Two or more men may club together with several
 subjects to make such an order and divide the privileges among them.

How to Order

Just think up one or more subjects on which you need material. Estimate
 the number of words required. Enclose two dollars for each thousand words
 desired, give us exact directions as to what you want and when you want it,
 and if the order is for five dollars or over, name the books or magazines you
 wish and tell us about the position you would like and your qualifications for it.
 We will do the rest. Address at once:
