the state horticultural school enter-  
tained the members of the Alpha**AT THE PLAYHOUSES.**

The Majestic.

There have been many good bills at  
the Majestic this season but the one  
offered this week eclipses all of them.  
Each number is so pleasing that many  
of the first-nighters, in speaking of  
the show, gave expression of such  
comments as "The best I have seen  
this year," "A very fine bill" and "The  
Kinsons can't be beat."This week's bill, instead of one or  
two star features, has a cluster of bril-  
liant glimmers. "The Kinsons," "The  
Singing Colleen," Park and Herman  
in a "Clown's Dream," and Inness  
and Ryan, all deserve to be classed  
as headliners.The Kinsons made the big hit of  
last evening's performance. One of  
the pair is in a class by himself in  
"imitating" musical instruments. He  
is something decidedly new.The quartet of Colleen won favor.  
They are singers who really sing.Hermann, in "The Clown's Dream,"  
does every turn to his body but put-  
ting it inside out. His work is great.  
Inness and Ryan's "Didn't I meet  
you at Rector's?" is catchy.Earnie and Potts, with their punch-  
ing bags, should not be forgotten.  
They are clever. And there are other  
attractive numbers, too.

The Lyric.

"In the Bishop's Carriage," a play  
that two seasons ago was a leader  
in the East, is being presented at  
the Lyric by the Fultons. The play  
is a modern one, dealing with a fresh  
phase of human life that appeals to  
Lincoln's theater-going class. Those  
who were especially pleased with Enid  
May Jackson's acting in the "Three  
of Us" will be delighted with her  
work in this play.Zeta, the agricultural fraternity, at a  
banquet Saturday evening.Several members of the Pi Beta  
Phi sorority were in Omaha the latter  
part of last week to attend a party  
given in that city by a member of  
the sorority who lives there.Phi Gamma Delta fraternity held  
an initiation Saturday evening, March  
13th, at the chapter house. L. D.  
Burdick, 1911 of Herman, Neb., and  
R. W. Van Sant of South Omaha,  
Neb., were initiated.J. T. Maxwell, 1911, gave a banquet  
at the Cacia house to the gymnasium  
leaders of the city Y. M. C. A. Mr.  
Maxwell is assistant physical director.  
This banquet is an annual affair, and  
about twenty were present.Walter Weiss, 1911, was compelled  
to leave school for a few days last  
week on account of a severe attack  
of la grippe. Mr. Weiss has been  
working at the state legislature this  
semester, being one of the committee  
clerks, and has also been carrying his  
regular university studies.The members of the university  
cadet band furnished music Saturday  
evening for the "Made-in-Lincoln" ex-  
position. An exhibition drill was tohave been given by the Pershing  
Rifles, but on account of the lack of  
space on the auditorium stage the  
plan of having the drill was given up.About twenty-five members of the  
active chapter of the Delta Tau Delta  
fraternity were guests of Colonel and  
Mrs. C. J. Bills at a dancing party at  
their home. The dance was followed  
by an informal dinner. Colonel Bills  
is an alumnus member of the Illinois  
chapter of the Delta Tau Delta frater-  
nity, and annually entertains the  
local chapter in this manner.Professor Fogg of the rhetoric de-  
partment, went to Hebron, Neb., Fri-  
day, where he was one of the judges  
of the debate between the Hebron  
high school and the Fairfield high  
school in which Hebron was victori-  
ous. Hebron has now secured the  
championship of the south division of  
the state inter-high school debating  
teams and will debate for the state  
championship at the debate, which  
will be held at the university in May  
to decide that title.Monday evening at 6 o'clock a cam-  
paign for new members of the uni-  
versity Y. W. C. A. was begun. Two  
sides have been chosen, Miss Mattie  
Woodworth and her assistants being  
known as the "scarlet" side and Miss  
Mary Graham and a like number of  
assistants will compose the "cream"  
side. The campaign will last exactly  
two weeks and the aim is to increase  
the membership of the Y. W. C. A.  
from three hundred and eighty mem-  
bers to five hundred. The side get-  
ting the least new members gives a  
banquet to the winners.**A Mighty Offer**

and \$5.00, go at . . . . .Chance of a lifetime to get your shoes at a  
fraction of their real value. A sale like this  
seldom occurs and may never again. *The  
date is set, the place you know, so  
let nothing keep you away. Hurry in  
before it is too late.***THREE REQUIREMENTS FOR  
ALL STUDENTS**You need reliable, original and complete material for written or spoken  
work. You also need books and magazines. And later a summer or permanent  
position, which you should plan for now, before all the best openings are filled.  
Here is the way to get all three at a minimum of effort and expense.**We Are Dealers in Facts**We furnish the best information obtainable on any subject in school, college  
or club, in business and public affairs. Our work is accurate, complete and to  
the point, carefully typewritten, promptly supplied, and arranged in suitable  
form, with outlines, bibliographies and full references.We not only have in our own force highly-trained investigators and special-  
ists in various lines, but we have made a business of "knowing the men who  
know" and by means of this system of knowing "Who's Who for Efficiency"  
we can go straight to headquarters for authoritative information and expert  
advice.Added to our large stock of information on hand and our means of obtaining  
authentic information, we have a highly efficient system of sifting, arranging  
and presenting our facts in form that exactly meets individual requirements—  
that would exactly meet your needs.We are especially strong in political science, economics, sociology, anthropol-  
ogy, fine arts, literature, applied science, commercial geography, travel and  
exploration, international law and diplomacy, history, foreign affairs, interstate  
and foreign commerce, financial and industrial conditions, and public problems  
and live questions of the day.The cost is less than might be expected. Our charges for new and original  
material are at the rate of two dollars for each thousand words furnished.  
Quality of work guaranteed, or money refunded. Methods, references and quo-  
tations on important investigations furnished upon request. (We have thou-  
sands of articles on hand which we offer, subject to prior sale, at \$1.50 per  
thousand words. Send for price list.)**A Desirable Position for You**If you are wise, you are already planning about a summer or permanent  
position or about an opening in the professions or independent business. To  
introduce our service to you, we will give you advice, information and real  
assistance along these lines without charge (from now up to the time you se-  
cure a desirable position) if you send us a five dollar order for information,—  
i. e., 2,500 words or over at \$2 per thousand.In our official capacity, we come in touch with boards of trade, chambers  
of commerce and other local and general organizations of employers, as well  
as large corporations and other concerns, educational and other institutions, and  
municipal, state and other governmental departments. We are thus in a po-  
sition to know of positions of all kinds everywhere as well as opportunities for  
starting out in independent business or professional lines.No red tape, no commissions, no strings are attached to this offer. It is  
free and unconditional. This information we gain about positions is simply a  
valuable by-product of our regular information business, and we use it to  
attract, help and thus hold customers. We do for you all that any regular  
employment agency can do, with this important difference—we ask you to sign  
no involved contracts, pay no fees or commissions, and incur no other obliga-  
tions.**Books and Magazines Free**As a further inducement, with every five dollar order for information we  
will give free, in addition to the employment privilege, any book or a year of  
any magazine you specify, the publishers' price of which is not over one dollar.  
With a ten dollar order for information, we will give \$2 worth of books or  
magazines; with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25  
order, \$5 worth; and so on. Two or more men may club together with several  
subjects to make such an order and divide the privileges among them.**How to Order**Just think up one or more subjects on which you need material. Estimate  
the number of words required. Enclose two dollars for each thousand words  
desired, give us exact directions as to what you want and when you want it,  
and if the order is for five dollars or over, name the books or magazines you  
wish and tell us about the position you would like and your qualifications for it.  
We will do the rest. Address at once:**National Clearing House of Information**
