IVY DAY EVENTS ARE AT LENGTH DECIDED UPON.

A College Play, "The Toastmaster," by Dramatic Club, Substituted

for Class Program of

The final program for the Ivy Day exercises to be held May 5 has at last been completed. The announcement of the program was given out last evening.

The morning program will begin at 9:30 with a song by the chorus. This will be followed by the Ivy Day oration by Louise H. Gregory. Another song by the senior chorus and the class poem will be read by Miss Constance Syford. Ross Bates will then present the class gift and will be responded to by Professor E. H. Barbour. The planting of the Ivy by the senior president and the May pole dance will conclude the morning pro-

The inter-class track and field meet, which will open the afternoon program at the State Farm, will begin at 2 o'clock. It is hoped that all men will be eligible for this meet, but Dr. Clapp has not yet decided whether he will allow the first team track men to take part, owing to the dual meet to be held with Morning Side the following Saturday. The class winning the most points in the meet will be awarded the large silver trophy known as the Armstrong cup, which was won by the class of 1911 last year. In addition to this, silver and bronze medals for the first and second places and ribbons for third place will be given to the individual win-

The meet will be stopped temporarily at 4:30 for the announcement of the next year's Innocents at which all of the junior men will be present At the close of the meet a baseball game will be played between the Spikes and Iron Sphinx.

Dramatic Club Play.

At 6 o'clock the committee will have a first class lunch prepared for those holding tickets. These tickets will be given out between now and Ivy Day to all who pay their assessment. The committee plans to have a much better lunch than that of last year. After lunch the university band will give a concert which will be followed by a play by the Dramatic club. This play is entitled, "The Toastmatser," and, as a college play, has made a great hit throughout the country. It has been substituted for the class programs of last year, as it is believed that it will lend solidity and dignity to the evening's entertainment, which, it is alleged, last year's program lacked. The play will occupy from one and a half to two hours. Neat souvenir folders, containing the program of the entire day, will be distributed at the beginning of the exercises in the morning.

With no definite announcement of the intention of the rules committee of the inter-fraternity council yet made, it is understood that the recommendation to be shortly made to the council will be in favor of some sort of a one-semester rule, prohibiting the initiation of any new student until he shall have fulfilled certain scholarship requirements for one semester's work. Just what date will be fixed upon for pledge day is not certain, nor is it known at what time and for what period the rushing season will be put.

The council will in no way lower the scholarship standards required for fraternity pledges. If any change is made it will be in favor of an upward revision. The present rule provides for the pledging and initiation of a new man at any time after the midsemesters. The semester plan is therefore a concession in part to the desire of some fraternity men for a year rule, prohibiting the institution of any men in their freshman year. Whether or not the semester rule will meet the ideas of the year rule supporters as well as the present system is questionable. They may consider that the increased chance of "spring" detracts from the proposition to too great an extent to receive their support.

CAMP SET TWO DAYS EARLIER

Will Be Held June 2-7 Instead of June 4-9 as Intended.

At its meeting yesterday the university senate granted the petition of students that the annual cadet encampment be set for June 2-7 instead of June 4-9. By this action the conflicts with the senior play and other events of commencement week are obviated. Examinations will be so arranged as to avoid conflicts.

There will be no vacation whatever on May 14, high school fete day. This was decided upon by the faculty definitely at yesterday's meeting. A The list of events is as follows: previous announcement that classes 100-yard dash, 220-yard dash, 440-yard after 10 o'clock would be dismissed

Field geography 10 will make the West Lincoln excursion Saturday. The class will meet in U. 7 at 8:30 Saturday morning.

The class in agricultural geology 28 will go to Milford on Saturday to study glacial and alluvial soils and topography between there and Pleasant Dale.

The regular meeting of the Palladian Literary society will be held this evening in the "Pal" hall in the Temple. A program will be given by the boys of the society.

The members of the freshman law class held a meeting in U. 306, Thursday, in response to a call by President Hill. The first report was by the committee on amusements, who suggested an afternoon outing at Epworth park. The class adopted the suggestion, and it was decided that the outing would be held Tuesday afternoon, May 3d. The class then heard the report of the constitutional committee and adopted the constitution as read by the chairman of the committee. The song and yell committee did not report. A baseball committee was appointed to arrange for a ball game to be played by two opposing teams, picked from the freshman law class at the outing next
