WILL SUSPEND SOON

MEN MUST DRILL OR SUFFER THE PRESCRIBED PENALTY.

SEVERAL STUDENTS DELINQUENT

RULES REGARDING MATTER ARE STRICT AND DEFINITE.

Prescribe Four Semesters of Military Tactics and Science for All Students in All Colleges Gave Law and Medicine.

Several students of the university will no longer be connected with the state school unless they make some lively steps for the registrar's office and offer some suave explanations as to their reasons for not presenting themselves for military drill. The rules make suspension the penalty for failure to drill the required length of time and the university authorities intend to enforce the regulations.

A short time ago the registrar's office sent out notices to a score of men who had not reported for drill or who were continually absent. The attention of these men was called to their delinquency and they were requested to report by a certain date. They were thoroughly acquainted through the circular of the penalties attached to failure to obey the requirements.

Several Didn't Do It.

A number of those who were thus notified appeared in time and either gave excuses for their neglect or made other arrangements satisfactory to the department concerned. There are still several, however, who have done nothing in the matter and who seem disposed to defy the authority of the registrar's office. The names of these men have been sent to the deans of the colleges concerned with a statement of the conditions in order that these officers may take the necessary steps for the expulsion of the offenders.

Registrar Harrison said yesterday that the number of flagrant offenders was comparatively few. "We sent out notices to all who had not reported or who were continually delinquent some time ago," said the registrar. "We stated plainly the law in the case and the penalty for failure to obey its provisions. A majority of the men involved responded to the requests and made the matter right with the office. There are still several, however, who have not replied to the notices and the cases of these have been referred to the deans concerned for action. The deans have the power to suspend in accordance with the regulation governing drill."

The Regulations.

By an act of congress the university receives a large grant of money from the national government with the provision that it maintain a department of military drill for all regular college students. The requirement has been construed to permit the excuse of students in the law and medical colleges, but all students in the colleges of literature and science, in the engineering college or in the long term courses of the college of agriculture are expected to drill.

Students who have drilled elsewhere, who have religious scruples against military affairs, or who are physically disabled are not required to drill, but the rules are strict as to other classes.

CORNHUSKER WILL BE OUT SOON

The Last Proof on the Year Book Will Be Read Today.

The last proof on the Cornhusker will be read today. This means that the annual will be out in a short time. With the speed at which the work is being pushed, the book will probably be out Wednesday, May 19.

There has been a remarkable sale of the books. At the present time the business manager announced that all the copies have been sold. This means that all those who have not so far ordered copies will have to go without or secure copies from someone who has already ordered.

More copies cannot be placed on the market as the forms are torn down as fast as run off. A new issue could not be printed without re-setting the copy, which would be impossible because the extra expense involved would make an enormous sale of the second edition necessary to meet expenses. Consequently there is no remedy for those who have failed to order.

"N" MEN DECIDE TO PARTICIPATE

Will Hold a Banquet Soon at the Lincoln Hotel.

The "N" men's society met yesterday at 11 o'clock and decided to join the innocents in entertaining the high school students who will be here on High School Fete Day. They will participate in the banquet which is to be held from 6 to 8 o'clock, Friday evening, in the Temple.

At this banquet all of the "N" men and innocents will be present, together with some other representative university men. Each man will pay for his own and one high school student's plate at the banquet.

At the meeting it was also decided to hold a banquet at the Lincoln Hotel some time in the near future. Several designs for pins were submitted to the meeting. These designs were turned over to the advisory committee with instructions to select a design and order the pins.

QUARTET'S LAST APPEARANCE.

Will Appear at Convocation Next Thursday.

For the last time this year the string quartet will appear at convocation next Thursday morning. It has been planned to have the quartet for several weeks, but the program has had to be postponed each time for different causes.

Selections from Tanhauser will be given and Mrs. Raymond will be at the organ. Mr. Edw. J. Walt will play first violin, Mr. Ernest Harrison, second violin; Mr. William Quick, viola and Miss Lillian Eiche cello.

Mr. William Quick plans to leave the city within the next few days and this will make it impossible for the quartet to appear any more this semester. It is possible, however, that the remaining musicians will still accompany the chorus when it appears in the future.

AGRICULTURE FACULTY MEETS.

Discussed Course of Study as Reported by Committee.

The faculty of the college of agriculture met yesterday and transacted a number of routine business matters. The chief matter considered was a report by the special course of study committee appointed some time ago.

The committee recommended a number of minor changes in the curriculum of the college which were approved by the faculty members. Among these were several which will tend to do away with duplicate courses at the state farm and the university proper. This policy of cutting out all superfluous courses has been followed to a considerable extent in the past and it will be adhered to even more closely from now on.

DRAKE HERE SATURDAY

DES MOINES WILL MEET NEBRASKA SECOND TIME.

WINS WEST SIDE CHAMPIONSHIP

Alpha Theta Chi Defeats Phi Gamma Delta in Close Game, 5 to 2—

Sigma Alpha Beats Kappa Sigma, 3 to 1.

The next game for the Cornhuskers at home will be played with Drake University of Des Moines, Ia., at Antelope park at 10 o'clock Saturday morning. The game is booked for the morning because the field will be used by the Lincoln Western League team in the afternoon.

Drake University was encountered on the recent eastern trip of the Cornhuskers and taken into the scarlet and cream camp to the tune of 8 to 2. The Cornhuskers will use Ward in the contest Saturday and hope to turn another neat trick on the Des Moines men.

Interfraternity Games.

In the interfraternity baseball league yesterday Alpha Theta Chi won the championship of the west side by defeating Phi Gamma Delta in a closely contested game by a score of 5 to 2. The winning of this game gave Alpha Theta Chi a clean score in the four scheduled games and the title to premier honors in the west division of the league. It is the only team that has not lost a game in its side of the league. Alpha Tau Omega is in the lead on the east side and probably will be the team Alpha Theta Chi will have to meet for the championship of the league.

Sigma Alpha Wins Out.

Just before the Phi Gamma Delta-Alpha Theta Chi game was pulled off, Sigma Alpha and Kappa Sigma crossed bats with the result that Sigma Alpha won out by a score of 3 to 1. The batteries for Sigma Alpha were Frank and Greenslit; for Kappa Sigma, Mathers and Sturtezenegger.

In the Alpha Theta Chi-Phi Gamma Delta game, Prouty and Raceley were the battery for the latter nine. E. Buol and R. Smith were the battery for the Alpha Thetas.

Score by innings:
Alpha Theta Chi—2 0 2 1 0 *—5
Phi Gamma Delta—0 0 1 0 0 1—2
Sigma Alpha—0 0 0 2 1—3
Kappa Sigma—0 1 0 0 0—1

Minnesota Saturday.

The varsity track team will meet Minnesota at Northrop Field in Minneapolis Saturday. The prospects are that the Cornhuskers will be able to trim the Gophers, although the margin of victory will probably be much smaller than it was last season. The northern team is coached by "Dick" Grant, an old Harvard man, and is doing good work this spring. Two weeks ago it tied Iowa at Iowa City in the annual meet between the two schools.

Varsity Defeats Morningside.

At Morningside Saturday the Cornhuskers encountered a worthy foe and barely nosed out a victory from the little Methodists, the final score being 62 to 41.

The Methodists were strong contenders all the way through and cut in on nearly every event. Collins, with firsts in each of the weight events was best individual winner for his team, and was in a class by himself. By winning the last three events on the program the Cornhuskers were able to carry away the honors. Berkstresser, of Morningside, lead his team in wins and saved a worse defeat.

The hurdles were the classy events

of the day, the teams breaking even. The summary:

120 yard high hurdles—Brown, Morningside, first; McDonald, Nebraska, second. Time 12 3-5 seconds.

TO PLAY AT WESLEYAN

TENNIS MEN MEET STATE COLLEGES THIS WEEK.

FINALS PROBABLY HELD TODAY

TRYOUTS SOON TO COMPLETE SQUAD FOR KANSAS MEET.

Nebraska Team Working Out in Promising Shape to Play Jayhawkers on May 21 and 22 at Lawrence Kansas.

Today will probably witness the conclusion of the finals in tennis in choosing the team to represent the university at the state championship contest, to be held at Wesleyan, Friday and Saturday. All of the colleges of the state will be represented in this contest.

The finals which will probably be played off this afternoon consists of two contests in singles, one between Flower and Ludden, the other between Smith and Hubbell. The winners will represent the university in the state contest.

Not Fully Chosen.

The squad for the contest with Kansas has not as yet been fully chosen. Eight men have at present been picked, and four more will be chosen in a series of tryouts to be held soon. The eight men now on the squad are: R. E. Weaverling, captain; L. F. Flower, F. A. Crites, W. A. Rosely, A. J. Ludden, A. F. Hemler, Smith, and John Hubbell. Thirty-two men tried out for places on the squad.

Some surprising work has been done by some of the new men. In the semi-finals which were played Monday, Flower won from Crites with two straight. Raceley won from Ludden in a closely contested match. Hemler won from Smith with two straight, and Hubbell won from Weaverling in a closely contested match. Flower, Raceley and Weaverling are members of last year's team and the showing made by the new men is very encouraging. Weaverling was put at a serious disadvantage in the semi-finals by a sore arm, and he may not be in shape to play for some time.

Consolation Class.

After the finals have been played the two winners will play to decide the university championship. What is known as the consolation class has been organized among the best of those who lost out in the first two contests and from this squad four of the best men will be picked to complete Nebraska's team which is to go to Kansas.

The team will meet Kansas at Lawrence on the 21st and 22nd of May, and some lively games are anticipated. The contest will consist of four matches in singles and two in doubles. Nebraska's team this year ought to have some of the right kind of stuff, the only drawback being that many of the men are new while Kansas will put up a squad of veteran players.

Every possible effort will be put forth, however, to get things into shape to win from the Jayhawkers. The men are working at a slight disadvantage owing to the poor condition of the courts. It is hoped to secure much better accommodations next season and, with the promising material on hand at present, Nebraska ought to develop a squad of whirlwind tennis players.

The Komensky club will meet Saturday evening at the home of Mr. Hoffman at Havelock. This will be the last regular meeting of the club this year.
