KNOX AND NEBRASKA CLASH THIS AFTERNOON

LARGE SCORE AGAINST ILLINOIS
MEN HOPE OF NEBRASKA.

KNOX TEAM ARRIVED LAST NIGHT

Fifteen Men, All in Good Condition,
Make Up the Bunch Which
Will Oppose Cole's Pup-
ils Today.

The second football game of the season will be played this afternoon at 2:30 at Antelope Park, and Knox is to be the victim. The Nebraska squad has put in a strenuous week of practice and are in far better condition than they were when they met South Dakota last Saturday. It is the unanimous opinion among both coaches and players that a big score against Knox this afternoon is the only way to atone for last Saturday's game, and put Nebraska in the running that will give them a chance against Minnesota at Omaha on the 16th.

Last Saturday's game showed that the men were not in condition. They had only had a week's practice and many of them were new to the game. There was no team work, and the men were slow and unsteady. There was a great tendency to fumble and to fall down in critical places. Practically all of this has been overcome in the last week's practice. New men have come out and the team has been strengthened thereby.

Frank and Beltzer have been doing some phenomenal work in carrying the ball. In these two men Cole has as speedy a pair of backs as can be found in the west. Both of these men will be watched with interest in tomorrow's game. Rathbone, too, has been developing into a hard plunger. While not very heavy Harvey hits the line hard. He has been working overtime the last week developing his speed. Bently will officiate at quarter in today's game with Hascall as substitute. Thus far Tait has proved himself the steadiest man Cole has for this responsible position.

Strong Line.

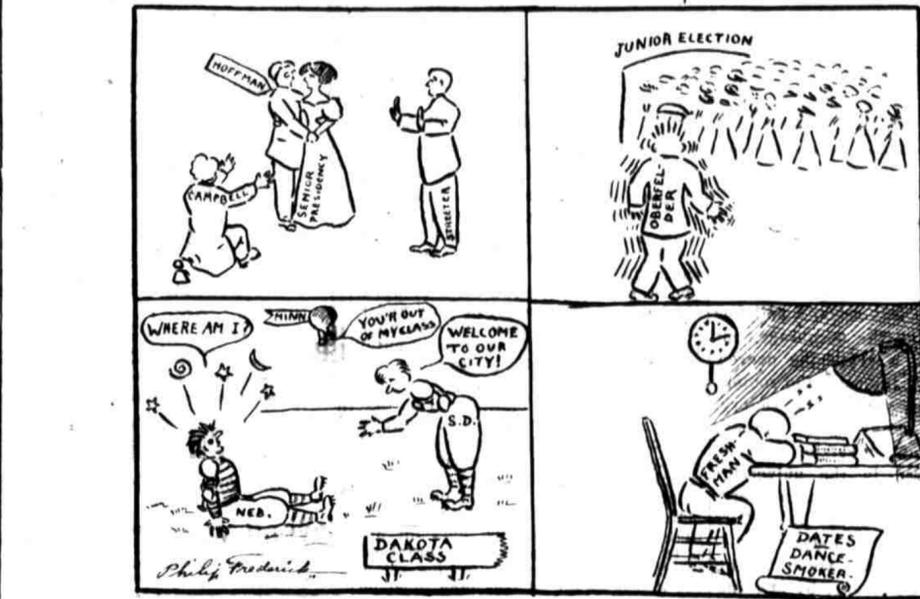

The line which gave so much trouble last Saturday will present a much stronger front and will not be likely to give way to the opponents' attack so easily. Perrin sustained a broken collar bone in Thursday's practice and so will be out of the game. His place will probably be taken by Shonka, who will be switched from guard to center.

Wenstrand and Elliott, who has at last succeeded in getting his credits straightened out, will take care of the guard positions with Wolcott and Sturmer as substitutes. Temple and Harte, the old reliables, will hold down the tackle positions and it goes without saying that this pair will eat up everything that comes their way. This will give Nebraska a line averaging better than a hundred and ninety pounds which ought to be able to repel the attack of any machine.

The end positions will be taken care of by Johnson, Chauner and Magor. Johnson will play his old position at left, while Magor and Chauner will alternate at right. Lofgren is still laid up with his arms and so will hardly be able to break into today's game.

Stronger Offense.

Just as in the defensive so also in the offensive part of the game, will last Saturday the plays used were few and simple. Coach Cole not having had time to drill the men on some of his new formations. The last week, however, the men have been drilled on several new end-runs and forward passes on which they have been showing up the scrubs in great shape. These may or may not be used in tomorrow's game. If the game is not very close

EVENTS OF THE WEEK

Cole may save some of these and not reveal his strength before the Minnesota game.

Knox Comes Strong.

Coach Towne arrived in Lincoln last evening in charge of his team from Knox college. They were a rather tired, but optimistic bunch after their long ride from Galesburg, Illinois, and after a short stroll around the city in charge of the coach, they retired early in order to be in the best of shape for today's game.

There are fifteen men in the squad, all of them in good condition. The team is not quite so heavy as the Dakota team. Their average weight is about 157 pounds, while that of the Dakota eleven was 162. They will be considerably lighter than Nebraska. The team Coach Cole will send onto the field tomorrow ought to average close to 170 pounds.

Knox has already played one game this year and like Nebraska she pulled out of the game with a tie score. The contest was with the Bradley Polytechnical School of Peoria. Coach Towne hardly expects to win today's game against a much heavier team, but he says that he has a scrappy bunch with him and is going to let Nebraska know that she is in a football game.

Birkner Back.

The hopes of everyone were raised several notches last night by the news that Hugo Birkner had come back. Some of the boys were so enthused when they heard the good news that they almost ran all the way out to Coach Cole's house to bring him the glad tidings.

Birkner's arrival adds much to the prospects of a winning team. He was one of the strongest men in the back field last season, playing right half and took part in every game. He is a hard line plunger and a very difficult man to injure. Scarcely, if ever, did he take time out for injuries and generally played the whole game. He will not be in tomorrow's game, but is in good condition and will be out for practice next week so as to take part in the Minnesota game.

This Afternoon's Line-up.

The line-up in this afternoon's game will probably be as follows:

Knox.	Nebraska.
McCullough.....L. E.	Johnson
Smith.....L. T.	Harte
Heubens, Jay.....L. G.	Elliott
Swanson (Capt.)...C.	Shonka
Barclay.....R. G.	Wenstrand
Ryder.....R. T.	Temple
Miller.....R. E.	Chauner, Magor
Purington.....Q. B.	Bentley
Gates.....L. H.	Beltzer (Capt.)
Slough.....F. B.	Rathbone
Hatch.....R. H.	Franck

Baked beans, baked on the premises and served hot with delicious brown bread, 10c, at The Boston Lunch.

FRAT INVESTIGATION ORDERED BY COUNCIL

PHI KAPPA PSI ACCUSED OF VIOLATION OF RULES.

COMMITTEE TO LOOK INTO ACTION

Charges Filed With Council Alleging That Phi Psi Rented Rooms and Sublet Them to Freshmen as Rushing Stunt.

Based on complaints transmitted to the inter-fraternity council by Registrar Harrison yesterday morning, that body has ordered an investigation of the rushing methods employed by Phi Kappa Psi. The committee will act at once and will endeavor to submit a report before the pledging date, Monday noon.

Registrar Harrison, in transmitting the complaints that had been made to him, offered specific information on several men being rushed by several fraternities and it is upon the attitude of the fraternity with reference to these men that the action is based. It is charged that the Phi Psis violated the fraternity rules in their action in rooming with rushees in houses at 424 and 434 North 17th street.

Roomed With Men.

According to the information filed by Mr. Harrison the fraternity is supposed to have rented the second floor in each of the two houses named. It is claimed that the fraternity men then sublet these rooms to freshmen, in some cases without the latter's knowledge of the arrangement whereby they became the tenants of the society. Members of the fraternity are claimed to have then moved from the chapter house in several cases and taken rooms with the new students or in close proximity to them. By their action the frat men are said to have violated the rule forbidding entertainment before October 2.

It is claimed by the statements filed with the council that when men from other fraternities went to the houses in question and asked for freshmen, they were told that the men were not at home. Other specific instances of alleged violation of the rules are cited.

The committee named by the council to investigate the charges consists of M. M. Welton, Delta Theta Pi, chairman; H. T. Johnson, Phi Gamma Delta; Verne Hedges, Kappa Sigma, 1903; and Dale McDonald, Phi Kappa Psi. The committee is ordered to report as soon as possible. If the fraternity is not cleared by Monday noon, certain men whose names were protested by Mr. Harrison will not be allowed to pledge until the matter is settled.

Penalty Possible.

The inter-fraternity rules covering penalties in cases of infraction of rushing rules are as follows:

"If any fraternity shall violate the rule of this council with reference to rushing or pledging of a student, such fraternity shall not be allowed to pledge or initiate such student with a period of one year from the date of such violation. Any student pledged or initiated in violation of the rules of the inter-fraternity council shall be liable to expulsion from the university and the chapter concerned shall be publicly reprimanded as directed by the council."

Phi Psi men were yesterday confident of acquittal of the charges. They state that the whole trouble is due to a misunderstanding and they can readily show that they have not broken any of the rules as to pledging. They hope to have the committee act today so that they may be cleared by Monday noon.

RUSSEL TO MANAGE JUNIORS.

Many Promising Men in Third-Year Class Out for Football.

Inter class football activities were started yesterday by the appointment of Dick Russell as manager of the junior football team. The appointment was made by A. M. Oberfelder late last evening and is the first appointment made by the new president of the junior class.

The juniors are expecting big things in the football line this year. Russell, the new manager, has had the experience and it is believed that, with the material in the class, he will manage a victorious team. A number of the men who will make promising candidates for the team are Miller, Reed, Pike, Plasters, Gurver, Boyce, Bell, Hummel, Dobbs, and Haskell.

PATHOLOGISTS MET LAST NIGHT.

Results of Investigations of So-called Infantile Paralysis by Dr. Waite.

The pathology club of the university was invited to the home of Dr. Wolcott, 2100 D street last evening, for its first meeting. Twenty guests or almost all of the members were present. The club organized last evening by electing Dr. Waite, president. Professor Willard and Dr. Lehnhoff were elected vice presidents, Professor Gunther, secretary, and Dr. Clapp, treasurer.

Among other interesting events on the evening's program, Dr. Waite spoke concerning the results of his examination of material from cases of the so-called infantile paralysis which has been so prevalent in certain parts of the state. His address was followed by a general discussion of the subject. The club also added to its membership Dr. Stevens, Dr. Rowe and Dr. Hilton, the new men added to the faculty. Dr. Mitchell who was dean of the old Nebraska College of Medicine from 1883 to 1887 was also taken into the club. The program for the year was decided upon and committees were appointed, one for each month, to have charge of the program.

SOPH PETITION OUT MEETING IS CALLED

PRESIDENT THOMAS MAKES A CHANGE IN THE PROGRAM.

ANKENY IS ELECTED LAW PRESIDENT

Metcalfe Loses by Vote of More Than Two to One in Freshman Law Election Which Was Held Yesterday Morning.

Following the circulation of a petition addressed to Registrar Harrison, asking that a sophomore class election be called at an earlier date than that set by the president, President R. P. Thomas yesterday announced a meeting of the class for Thursday at 11:30 a. m. The petition was then withdrawn and the threatened storm in sophomore politics seems to be averted.

The excitement in the second year class all arose out of President Thomas' desire that he might be able to keep his pledge to pay the class debt. The class had a heavy debt contracted during its first semester in the university and Thomas was elected president upon a platform which called for the extinction of this debt.

Last spring the class held a dance under the direction of Thomas, but although the attendance was one of the largest of the year, the profits were not sufficient to pay the debts. The matter ran along into the summer and this fall Thomas came back to find several bills facing him.

Wanted to Pay.

According to the president's story, he wished to pay these bills before going out of office. Consequently he planned to delay the class election until after October 22 and to hold a dance on that date. This aroused the ire of certain other members of the class. They said that Thomas had no right to hold over and appoint committees for the second year. They believed that he had had enough of the spoils and they characterized his action as a bit of dirty politics. Incidentally they called attention to the fact that he was a Spike, and that the deal might be the idea of that organization.

Yesterday the petition was circulated among sophomores and within a couple of hours thirty signatures had been secured. At that time President Thomas decided to hold an election next week and submit the dance question to a vote of the class. He plans to arrange for the affair as far as possible and then turn it over to a committee to be selected by the president for the present semester. The election will accordingly be held Thursday at 11:30 in Memorial Hall.

The candidates so far announced are W. R. Powers and James Lomax. Supporters of Powers were largely back of the petition filed against Thomas.

Ankeny Wins in Laws.

H. R. Ankeny was yesterday morning elected president of the freshman laws. He won over W. B. Metcalfe by a vote of 37 to 15.

The meeting was called to order with Lewis as temporary chairman. C. A. Emory was made temporary secretary and this organization was made permanent. Ankeny was nominated by Burrus, while Hornsburger named Metcalfe.

The class called for the candidates to appear and state their platforms. Metcalfe was not present, but he was represented by Emory. On the vote, taken immediately thereafter, Ankeny had a majority of 22.

Leroy E. Troyer, '02, a missionary of the American Baptist Home Missionary society, is located at 2 Calle de Progreso No. 1, Puebla, Pue., Mexico.
