RALLY FOR MINNESOTA GAME THURSDAY

SONGS, YELLS AND SPEECHES TO
MAKE UP THE PROGRAM.

TEMPLE THEATER PLACE OF MEETING

Reserved Seats for Game Now on Sale
at Co-op and at Harleys—
Rooters Buy in Co-op
Section.

One of the old-time rallies will be held in the Temple Theater Thursday morning at 11 o'clock. Football songs, football yells and football spirit will be the program for the first big mass meeting, preparatory to the coming struggle with Minnesota.

A number of the old football men, veterans of former Nebraska victories, will speak. New yells will be given to train the prospective rooters who will help win Saturday's fight. New songs, football songs, will be sung for the first time at the rally. The band will be present and will help arouse enthusiasm for Nebraska and her gridiron warriors. Every student who has that hour free is expected to be there to lend his voice to the songs and yells.

For Omaha Game.

The rally is merely to foreshadow the big contest at Omaha Saturday. It is believed that Nebraska ought to send a crowd to Omaha for the game that will exceed any that has ever before attended such a struggle. Minnesota will run a special train to Omaha, which will probably carry eight hundred people. While, up to late last evening, it had not been definitely announced that Nebraska would have a special train, yet it is believed by those overseeing the affair that such a train will be assured and special rates made for the round trip.

The indications are pointing strongly toward an exodus of university students to Omaha Saturday morning. The reserved seat tickets on sale at Harley's drug store are selling out at a lively rate. These seats are for the regular reserved seat sections and sell at \$1.50. Reserved seats for the rooting section, at \$1.50 are on sale at the Co-op. It is urged by those in charge that every man not wishing to take a lady buy a reserved seat in the rooting section and help cheer for Nebraska.

The rally which is to be held Thursday morning is in charge of the Innocents. Some difficulty was encountered in securing Memorial Hall, where all of the previous rallies have been held. Manager Eager wrote to Professor Grumm on July 23 asking for an open date in Memorial Hall on the coming Thursday, but it has recently come to light that the university senate has passed a ruling to the effect that the hall shall not be used for any such purpose. Consequently the Innocents were forced to hold the mass meeting in the Temple Theater. This will also necessitate the rally's running somewhat in opposition to the musical program scheduled for convocation that day.

Want Enthusiasm.

The object of any rally is primarily to arouse enthusiasm, and this rally coming as it does just before the crucial test of the Cornhuskers, means that everyone present will get into the game and learn the new yells and songs. The yells and songs will be printed and distributed at the time of the rally, and the band will play the songs. Perry and Elliot, the cheer leaders, will coach the rooting.

From all indications, this rally Thursday will prove to be one of the best of its kind ever held at Nebraska. Already the Innocents are looking for

new songs set to popular music for the Iowa and Kansas games to be played here in the near future. Every one who has ever tried anything of this kind or who thinks he can write a parody on some of the popular music of the day appropriate for the coming contests is urged to do so and submit same to the Innocents. Yells are also in demand and everyone having a yell to propose or wishing to write one is requested to submit it to the Innocents.

Y. M. C. A. STAG RECEPTION.

Annual Event in Armory Attracts the Usual Large Crowd.

The annual Y. M. C. A. stag social was pulled off in Memorial Saturday evening with a large attendance. In many respects it is reported to have been one of the most successful "stags" ever given by the association.

The guests spent the early part of the evening in getting acquainted with one another, which process was much facilitated by small slips of paper bearing each person's name being pinned on the lapel of his coat. This obviated the necessity of an introduction.

Later in the evening the classes organized and each class put up a stunt in a contest to see which could put up the best. These stunts consisted of peanut races, relay races, rooster fights, pie eating contests and many others. The freshmen won. After the contests Dr. Condra spoke on the subject of "College Loyalty"; Coach Cole followed by Sid Collins, spoke of "The Students' Relation to Athletics," after which Mr. Scotney spoke on "Drill and its Benefits." S. A. Mahood, president of the association, then spoke of Y. M. C. A. work and what the organization was striving for. The evening's entertainment was closed with refreshments consisting of ice cream cones and gingerbread.

JUDGING TEAM WILL CONTEST.

Nebraska Man Go to Milwaukee to Enter National Meet.

The University of Nebraska dairy judging team left Saturday morning for Milwaukee, Wis., to the National dairy show. The team is composed of students in advanced dairy judging and have been working all fall in preparation for this event. The men on the team are Forbes, Matthews and Hunter. They are accompanied to Milwaukee by Professor Frost of the department of animal husbandry. The men will make several stops along the road to work on fancy herds, and will get as much coaching as possible from Mr. Frost. The show does not begin until the latter part of the week.

RUSHING OVER, MANY MEN PLEDGE TO FRATS

BIG LIST OF NEW MEMBERS REPORTED BY GREEKS.

SEVERAL NEW MEN YET UNDECIDED

More Pledges Will Be Announced
Within the Week—Phi Kappa Psi
and Delta Upsilon Found Guilty
of Violation of Rules.

Eighty men were pledged yesterday by the twelve fraternities of the university. The rushing season, which has been one endless course of activity by frat men for the past ten days, came to an end at noon and at that time the various organizations invited the men of their choice and received their answers.

A number of new men are holding off, and will not pledge until later in the week. Among this number are some of the best men rushed during the week, and consequently the interest of the Greeks in the pledging of new men will be maintained for several days yet.

The pledge list this year shows a larger number of new men affiliated with the several fraternities than was true last year. Almost every fraternity enlarged its pledge list over the figure set a year ago. Yet in some cases there were notable instances of a restriction in the number of men pledged. There will undoubtedly be several additions to the lists within a day or two.

Action on Violations.

Following the action of its special committee in finding Phi Kappa Psi guilty of violating the inter-fraternity rushing rules, the Panhellenic council met last evening to pass sentence upon the fraternity. After a prolonged consideration of the penalties possible under the inter-fraternity rules, Phi Psi was prohibited from rushing or pledging any of the men on whom complaints were entered until the close of the first semester. They cannot be initiated, if pledged, until they have completed twelve hours' work in the second semester. The freshmen not allowed to pledge are Coe Buchanan, Sam Carrier, Ray Killian, Fred McConnell, and Frank Schwake. Delta Upsilon was found guilty of violating the rules with reference to Ray Killian and the same penalty inflicted.

The council passed a vote of thanks to Professor Barbour for his services as chairman of the council during the past year. Mr. Welton was re-elected secretary.

NEBRASKA WINS FROM KNOX BY BIG SCORE

ILLINOIS MEN NO MATCH FOR
"KING" COLE'S PUPILS.

FRANK DOES GOOD WORK AT FULBACK

Temple, Beltzer, and Westrand Also
Show Up Well—Nebraska Men
Plow Through Knox for Re-
peated Big Gains.

Nebraska overwhelmed Knox in the second game of the season and had no trouble in winning the game by the decisive score of 34 to 0. Not only was Knox outweighed by the Cornhusker eleven, but she was completely outplayed in every department of the game. The Cornhuskers showed great class. The improvement over their work of a week ago was a glittering ray of hope to the twenty-five hundred rooters assembled to witness the contest.

At no time in Saturday's contest was Nebraska's goal in any danger, while the Cornhuskers scored on their opponents almost at will. Knox never had the ball any closer than within thirty yards of Nebraska's goal, and then only on the kick-off. Practically the whole game was played in Knox territory, with the latter team almost continually on the defensive.

Knox Stubborn.

Knox put up her most stubborn fight in the first few minutes of play. During this time the ball saw-sawed back and forth between Knox's twenty-five and forty-yard lines, until finally, beaten down by Nebraska's hard plunges, she was forced back, and Temple went over for Nebraska's first touchdown, after seven and a half minutes of play. This seemed to take the heart out of the Galesburg boys, and from then on Nebraska had no trouble in scoring.

Franck, Beltzer and Bentley skirted the ends for long gains, while Temple, Harte and Rathbone plowed through the lines at will. Some of Temple's plunges through tackle were terrific, gaining more than twenty yards. Harte at left tackle was a power in opening holes for his teammates.

At the end of the first half Nebraska had scored three touchdowns and a place kick by Franck, making 23 points. With the game well in hand, Cole sent in his second substitutes in the second half till by the time time was called only two regulars, Rathbone and Major, remained in the game.

Every man on the Nebraska squad played for everything there was in him. Beltzer and Franck showed up strong at end runs, while Harte, Temple and Rathbone did some terrific line plunging. Bentley played a steady game at quarter. He ran the team fast and showed great ability at getting down the field and catching punts. Magor played a star game at end, some of his tackles were of the sensational order. McCullough at left end and Swanson at center showed up best for Knox.

The Game in Detail.

Beltzer won the toss and chose to defend the west goal. Franck kicked off over Knox's line and the ball was put in play by Knox on her twenty-five-yard line. Knox fumbled, Nebraska falling on the ball. A forward pass failed and Nebraska was penalized fifteen yards. Beltzer punted to Knox's twenty-yard line. An attempted on-side kick was blocked, but Knox recovered the ball. Gates then kicked out of bounds on Knox's fifty-yard line.

Nebraska's ball. Franck made twenty yards around left end. Rathbone recovered the ball. (Continued on page 4.)
