

The Daily Nebraskan

Vol. IX. No. 50.

UNIVERSITY OF NEBRASKA, LINCOLN, FRIDAY, DECEMBER 10, 1909.

Price 5 Cents.

FOURTEEN GIVEN "N'S" BY ATHLETIC BOARD

DELAYED SELECTION OF LETTER
MEN AT LAST ANNOUNCED.

WILL ELECT CAPTAIN ON MONDAY

New Rules Adopted for Governing
"N" Selections in Future
Years Effective
in 1909.

The university athletic board met yesterday morning to consider the awarding of "N's" for the football season of 1909. Fourteen men were considered as having worked faithfully and efficiently enough to entitle them to this, the highest honor the university athletic board can bestow. The men who were awarded "N's" at yesterday's meeting are Beltzer, Shonka, Ewing, Wolcott, Harte, Temple, Johnson, Chauner, Magor, Frank, Bentley, Hascall, Rathbone, and Sturtzenegger.

These men, with one exception, were selected for their participation in the Iowa, Minnesota, or Kansas games, the board deciding not to regard either the Denver or Haskell games as "N" games. The one exception to the general rule was Sturtzenegger, who was granted an "N" for all-round faithful work the last two years.

Elliott left Out.

As was predicted some time ago, there has been quite a lively scrap over three candidates, Hascall, Sturtzenegger and Elliott. Considerable interest and much comment has developed over the action of the board in regard to these three men. The other places were generally regarded as certain, but neither Hascall nor Sturtzenegger were sure of their letters until the board took the final action yesterday.

In both these cases the action of the board met with general favor. The surprise of the announcement, however, was the refusal of the board to include Elliott among the others although he was believed by many as deserving as either Hascall or Sturtzenegger. The latter sentiment at least seems to be the one generally held by the student body. Elliott has worked hard and faithfully for the success of the 1909 eleven. It was he who saved the Denver game for Nebraska by his brilliant work during the last few minutes of play. He played both halves of the Denver game, and a full half in the Haskell game, besides his work in the Dakota, Knox and Doane games. His work throughout the entire year has won him a place in the hearts of the students and the refusal of the board to grant him an "N" has excited considerable comment.

Letters were also granted the cross-country team and to Dean Mitchell for his work in last year's gymnasium contest.

"N" Rules Adopted by Board.

To clear up the matter of granting football "N" for the future, the board adopted a new set of rules to go into effect in September, 1910. The rules adopted are as follows:

Art. I.—The games that are to count in determining whether a football player is entitled to be considered in awarding the "N" shall be those played with any intercollegiate or Missouri Valley conference team.

Art. II.—Members of the football team who play in three of the games as provided in above article, shall be granted an "N," subject to the conditions in Section 3 below.

(2) The letter "N" may be granted

to other worthy players than those named above on recommendation of the coach, captain, and manager, by unanimous vote of the board. Injured men and men who have been faithful but who are not qualified under Section 1 are the type of men to be considered under this section.

(3) A player entitled to an "N" under Section 1, above, may be refused his "N" by a vote of nine out of the eleven votes of the athletic board.

The board will meet Monday night with the "N" men to hold an election of a captain of football for 1910.

SIGMA XI MEETS MONDAY.

Program Consists of Lectures by Professor Morse and Dr. Waite.

Sigma Xi, the honorary scientific fraternity, will hold a meeting Monday evening in the electrical engineering laboratory. This is the first meeting of the society for this year.

The program for the meeting will be as follows:

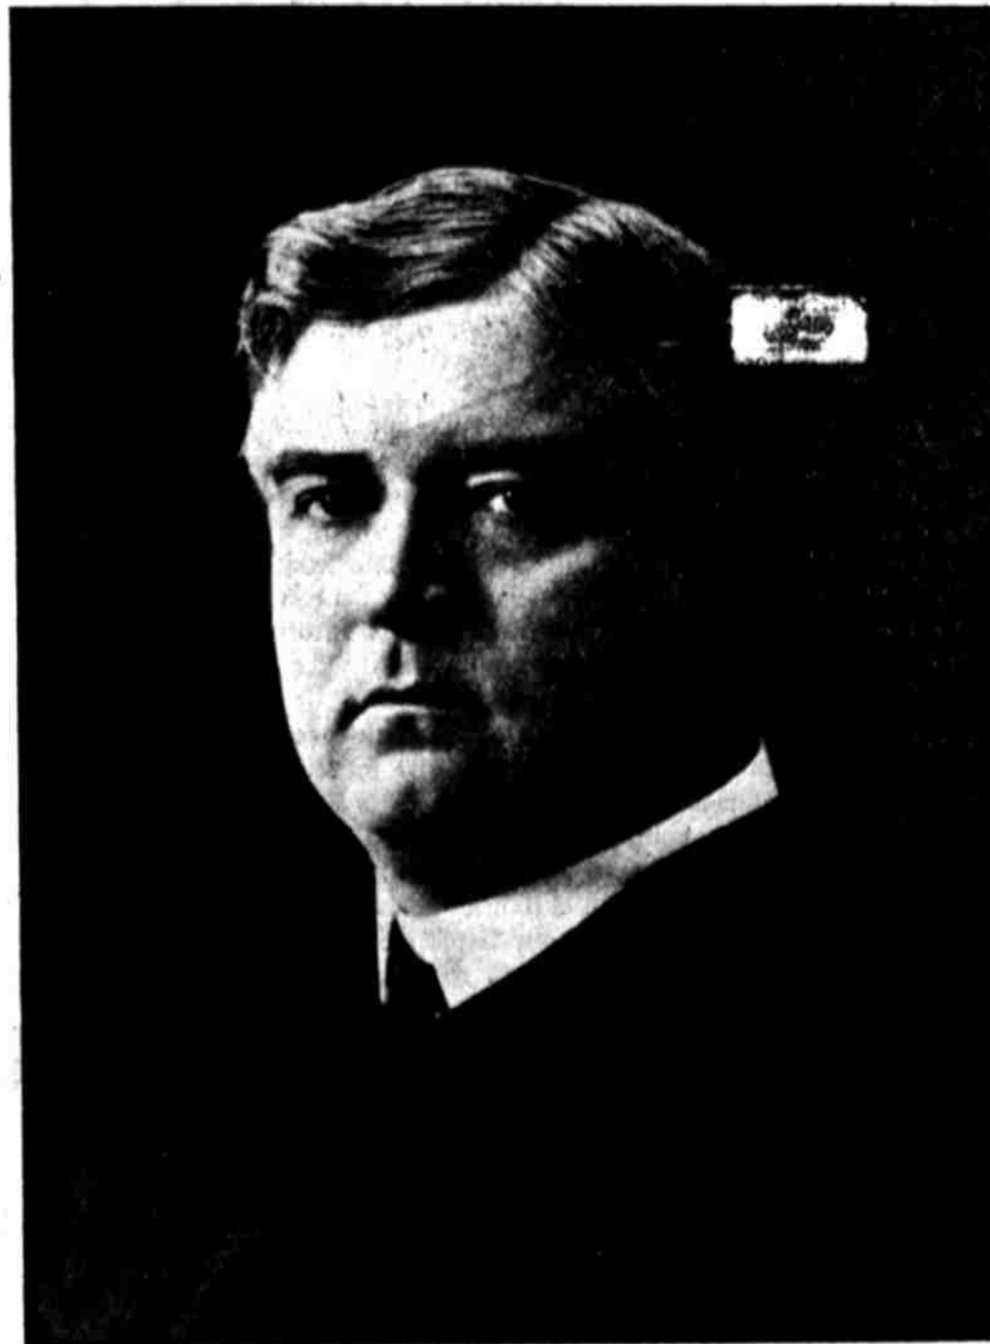

"Infection of the Central Nervous System, With Special Reference to the Recent Epidemic in Nebraska," Dr. H. H. Waite.

"Electrical Illuminants With Experimental Demonstrations," Professor Morse.

These meetings of Sigma Xi are held from time to time throughout the year and are open to the public. The object of the organization is to promote original work in science and to popularize the new things that are being done in scientific fields.

Paul E. Roadifer, '09, is practicing law at Platte, S. D.

GOVERNOR A. C. SHALLENBERGER

Nebraska Executive Who Will Preside at Nebraska-Minnesota Debate in Memorial Hall This Evening.

NEBRASKA-MINNESOTA DEBATE DUE TONIGHT

ALL IN READINESS FOR BIG ANNUAL
SPEAKING CONTEST.

BIG CROWD IS DESIRE OF TEAMS

H. W. Potter, J. L. Rice, and J. T. Votava Nebraska Affirmative
Speakers in the Order Named.

What is expected to be the best intercollegiate debate that has ever been held at Nebraska is to be held at Memorial hall at 8 o'clock this evening between the Cornhuskers and the Gophers. Side features consisting of an address by Governor Shallenberger and music by the university cadet band have been secured to keep the crowd in the best of humor.

University students are talking debate with the "We must beat Kansas" spirit, and it is the Gophers whom we intend to make our victims. The chances of jumping from the tail end position to the first division of the league has aroused the spirit of all Nebraskans. A large audience will attend the debates. Not since the nine straight victories won by Nebraska in intercollegiate debate has there been so much interest in debating proper.

The team and debating squad is especially desirous of securing the largest attendance in the history of the school. A large number of alumni and city business men will attend the debate. Judge T. C. Munger of the federal court, Judges Frost and Stewart of the district court, County Judge Cosgrave and many other members of the Lancaster County Bar Association are expected to attend Friday evening. Extra tickets will be placed on sale at the Y. M. C. A. and Y. W. C. A. rooms this morning. Tickets can also be obtained at the Nebraskan office from 2 to 5 p. m.

Chancellor Samuel Avery will introduce Governor Shallenberger, the speaker of the evening. After the debate the Phi Alpha Tau fraternity will entertain the visiting team with a banquet at the Lincoln hotel. The judges for the debate, Professor E. A. Wilcox of Iowa, Professor H. S. Stancliff, political economy department at Cornell, and Professor F. H. Garver, historian at Morningside, will arrive in Lincoln Friday morning.

H. W. Potter, J. L. Rice, and J. T. Votava will speak for Nebraska in the order named. The members of the Minnesota team have not been announced yet, although repeated efforts have been made to learn about them. The usual system of marking will be employed by the judges. Nebraska debaters realize that they have been handicapped by the shortness of the season, but notwithstanding this they are confident of putting up a good fight.

Owing to the bad weather conditions it is feared that some of the outsiders will be unable to reach Lincoln. Only two university functions conflict with the debate. These are private dances and not many students will be affected. The innocents and other organizations are supporting the debate. Tickets will be placed in the hands of many students to make a thorough canvass of the campus tomorrow, and very few will escape being asked to support the debate.

Professor F. M. Fling and Judge Sedgwick, who are to act as judges at the Minnesota-Wisconsin debate, left for Minneapolis last night. Professor W. G. L. Taylor, who was to be the third judge, was unable to go on account of sudden illness.

ADMISSION TO JUNIOR PROM FINALLY FIXED

\$3 NAMED BY COMMITTEE OF
THIRD YEAR CLASS.

PLANS ARE LAID FOR THE STUNTS

Chairman Hathaway Appoints Subcommittee to Undertake Work of Making This Prom Best Ever.

Junior prom tickets will sell this year for \$3. This much was decided at a meeting of the committee yesterday morning.

By its action the committee put an end to the discussion which has been rife among the juniors for a week past. Campus rumor has been insistent that the charge for the formal third year event was to be \$3.50 and many have been the wallings on the part of would-be dancers. The committee had not considered the admission question until yesterday, and the \$3.50 gossip had been founded on thin air. Nevertheless it had caused something of a furore among intending purchasers and the announcement of the \$3 rate is a welcome relief.

Plan for Big Affair.

The committee yesterday began its definite plans for the big dance February 4. Sub-committee are being appointed to take charge of the various details which will go to make the 1910 prom the biggest and best ever given. Special efforts are to be made to secure the return to Lincoln of university alumni and former students. The question of other entertainments

during the week aside from the dance itself is being considered and some such stunts may be arranged.

By a novel plan the committee expects to be able to devote more money to decorations and music than has been possible in the past. The committee is not publishing the means whereby it intends to secure the necessary funds, but the plan is declared to furnish a certainty of plenty of good things to hear and look at. Chairman Hathaway has made all necessary arrangements for the Lincoln dance hall and ordinary and Walt's orchestra will furnish the music.

Tickets for the dance are to be placed on sale immediately after the Christmas recess. Already alumni are being interested in the project.

SPECIAL NOON MEETINGS.

Y. W. C. A. to Celebrate Christmas Season Next Week.

The Y. W. C. A. are planning to have their noon meetings next week, characteristic of the Christmas season. Special leaders have been secured and an extra effort is being made to have these meetings appropriate to the occasion.

Monday the meeting will be in the nature of a special Christmas praise service. The music will consist of piano, violin, and baritone solos in addition to the music of the chorus.

On Wednesday the meeting will be in charge of Alice B. Ensign, advisor of women. Miss Ensign is very popular among university students and the meeting should prove interesting.

The Friday meeting will be led by Mrs. W. A. Willard. Mrs. Willard is chairman of the Y. W. C. A. advisory board. This will be the last meeting before the Christmas vacation, and it will be very impressive.

NEBRASKA-MINNESOTA DEBATE TONIGHT
