SORORITIES TO CLASH IN BASKETBALL GAMES

GIRLS' LEAGUE TO CONTEST FOR INTER-SORORITY PENNANT.

LEAGUE IS DIVIDED IN TWO SIDES

Members of the Sororities to Hold a Championship Race Similar to the One Now on Between the Fraternities.

The girls are next. Not satisfied that the men of the university should have an inter-fraternity basketball schedule and award the winners of the series of games with a pennant, the girls of the various sororities of the university are preparing to organize an inter-sorority basketball league.

The sororities of the university will be divided into two divisions the same as in the inter-fraternity league and each side is to have a series of games to decide the championship of their respective sides. Then the winners of the series on one side will compete with the winners of the series of games from the other side for the inter-sorority basketball championship. Plans Being Laid.

The only event of the university school year which the girls of the school are allowed to take an active part in, as far as athletics are concerned, is the annual inter-class basketball series which will be held some time in the near future. No university girls' basketball teams have been allowed at the university for the past two years and the members of the different sororities feel that in playing inter-sorority basketball games that the girls of the university will have a chance to show their prowess in athletics to a better advantage.

Plans for this inter-sorority basketball league have not as yet come to any definite conclusion, but a definite action will be taken on the matter in a short time. No one will be admitted to these games but the members of the university body and women faculty members.

Men Have an Advantage. One of the prominent sorority members in discussing this proposed movement said yesterday, "I think it is the best plan that has been devised for a long time. The fraternity men have such an advantage. They have their inter-fraternity meet and their baseball and basketball leagues and it is time now for the girls of the university to show their spirit. We can't even have a 'varsity basketball team to play the girls' teams from other schools and if this plan is adopted we can have something to do in the way of developing interest among the girls of the university, in athletic things."

The annual inter-class basketball games between the girls of the different classes of the university will be played some time in the near future. The games are held in the armory on an afternoon when all university girls are excused from classes. The championship game is played between the winner of the freshman-sophomore contest and the winners of the

junior-senior game. The winner of the championship game is awarded a pennant which last year was won by the present junior class.

JACK BEST FUND ON THE BOOM.

A Great Many Cash Subscriptions are Coming in.

The subscriptions for the Jack Best fund are coming in rapidly. A subscription list has been carried through the law school and large amounts have been raised. Letters are coming in from the alumni protesting against being barred from participating in the subscription from the start. A number of them have already sent in their checks for ten dollars or more. The cash on hand at the present time amounts to practically forty dollars.

Much more than this has been subscribed, the subscription in the college of law alone exceeding this amount. The letters sent to the various organizations have not yet had time to gain any reply but it is believed that by Monday a subscription list of surprising proportions can be published. Many students who subscribed in the college of law are students who signified their intention of again subscribing in one or the other

of the organizations to which they belonged.

JUNIOR LAW ELECTION.

Brain Chosen Chief Executive for the Coming Semester.

The junior law class held their election yesterday morning and excitement reigned supreme. There were two candidates for president of the class, John Brain and H. S. Nightengale.

Mr. Brain was nominated by A. F. Mutts, who asserted that the past administration had amounted to nothing. He said that an administration under Brain would be a lively one. That there would be smokers and class gatherings galore, and that the semester's entertainments would culminate in a class picnic. It was largely due to this speech that Mr. Brain was elected.

Rita (looking at photo)—Oh, yes, he's handsome enough, but he's an awful bouncer.

Stella—What did he do?
Rita—Didn't I tell you? He made an awful fuss with me one season, and then asked me if I thought the dad would object to him as a son-in-law. I said no, I thought not, and he went away and proposed to my sister.
