Regent Coupland Lectured at Omaha. Regent George Coupland addressed the pupils of the Omaha High School on Monday afternoon. Mr. Coupland gave a very interesting talk a good part of his address being on the wasteful methods of American farming and the yearly decrease in the food supply of the world. He explained several ways in which this condition could be remedied, more especially by scientific means, and showed how a college education is a valuable asset in a young man's life in the present.
