LIFE INSURANCE

UNION CENTRAL LIFE, S. B. Coon, agt., 216 Richards block.

Alliance will make a strong effort to be a factor in the state track meet. Many candidates are out for places. No forecast, however, can be made as to results, for heretofore track work has received little attention, the athletic energy of the school having been devoted to other lines.

An endeavor was made in the early spring to organize a league among western Nebraska cities, the purpose being to foster track work. Our neighboring cities lacked the necessary initiative, however, hence Alliance must attempt to gain laurels for all the northwest portion of the state. Alliance will place its strongest effort in an attempt to land the high and broad jump.

The varsity crew redeemed itself by beating the second combination two lengths in three miles, both eights starting on even terms.
