IVY DAY PROGRAM IS ALMOST COMPLETE

EXERCISES HELD ON CAMPUS IN MORNING.

CLASS GIFT TO BE THE FEATURE

List of Athletic Events at University Farm—Spikes and Iron Sphinx to Meet—Play by Dramatic Club.

The program for Ivy Day, May 11, is now almost complete, and a good time for all is assured. All classes will be excited, and professors will join with the students in the annual holiday.

The morning program will take place on the university campus, north of the administration building, and will be conducted by the senior class. As this will be the last appearance of the senior class before the school, it is their desire to make it as impressive as possible, and it will be done in the following ways: The class song, which will be selected by the committee from all sent in, will be rendered; the class poem will be read; the class gift will be presented to the university as a token of appreciation for its many favors; the oration will be given by John L. Rice; the ivy will be planted by President Jones of the senior class; and then the most attractive event of the day—the May pole dance—will be given by a number of senior girls in caps and gowns.

Afternoon and Evening.

All the afternoon and evening events will take place at the university farm. The first event, the track meet will begin at 2:30, and as no varsity men will be allowed to take part, it is expected a great number of students will enter. The following events will be contested: 100-yard dash, 220-yard dash, quarter mile, half mile and mile runs, high jump, pole vault, running broad jump, shot put, discus throw, and inter-class relay. First places will be awarded with silver medals, second places with bronze medals and third places with silk ribbons. The winning class receives a beautiful silver cup, and it is expected that this trophy will arouse much interclass rivalry.

Immediately after the athletic meet, the Iron Sphinx will meet the Spikes in a championship baseball game. Then lunch will be served, and it is planned that the lunches this year will exceed those of past years. After lunch there will be a short interval to roam around, or listen to a band concert (depending upon who accompanies you.) The remainder of the program will be given on the platform which will be erected, and will consist of the following: The announcement of the thirteen juniors to be admitted into the Senior Innocents' Society; the ten minute programs by the four classes; and finally the play by the dramatic club. The latter will produce "The Elopement of Ellen," and assures us a good entertainment.

To meet the various expenses of the day, an assessment of twenty-five cents has been laid

on every person in school. This twenty-five cent assessment procures a ticket which admits the holder to all the events of the day, including the athletic meet, dramatic club play, and lunch. It is urged that all students aid the committee by paying their assessment at once, as it is desired to have the assessments collected by May 4.

SIDNEY SILBER PLAYS.

Popular Pianist Pleases a Large Audience.

Mr. Sidney Silber, of the University of Nebraska Conservatory of Music, yesterday gave a piano recital at regular convocation held in the Temple theater. Every one attending seemed greatly pleased with the selections and heartily applauded. The recital was, undoubtedly one of the finest exhibitions of musical talent given to the students of the university this year.

The program as rendered follows:

Prelude in C Sharp Minor, —Rachmaninoff.

The Lark—Glinka-Balawireff. Arabesque (Pas trop Facile) Op. 45 Noll—Leshetzky. (First time in Lincoln.)

Voices of the Woods, Op. 78 No. 4.—Verdi-Liszt.

UP OR DOWN IS QUESTION.

Platform Club Discusses Postal Rates.

The Platform Club met on Wednesday evening in U. 106 and listened to a debate on the question, "Should the present rate of one cent per pound on second class mail matter be increased to nine cents a pound." This is the plan advocated by President Taft and Postmaster General Meyer. Clifford Phillips and A. M. Oberfelder upheld the affirmative and Walter Weiss and B. Marcellus spoke on the negative.

The meeting was well attended by the club members and many university students outside of the club were present. A brief business session was held after the debate and several men were elected to membership in the club.

SOPHOMORE HOP TICKETS.

Last Dance of Year to Be Given at Lincoln Hotel.

The tickets for the sophomore hop that is to be given at the Lincoln hotel on the 20th of May, appeared on the campus yesterday.

The committee had decided to give the dance in Fraternity hall, but such a large number of requests for tickets have been received that it was decided to secure the Lincoln for the dance. The number of tickets has been limited to ninety and about half of these have been spoken for.

Tickets may be secured from the following sophomores: Clarence Clark, Eula Bates, Florence Rush, William Ritchie, R. D. Hawley, Helen Dinsmore, Charles Landers, and Vern Bates. These people expect to sell all of the tickets that remain for sale within the next ten days.

TRY-OUTS FOR THE TRACK TEAM SATURDAY

CONTESTS WILL START AT 2:30 ON ATHLETIC FIELD.

ONLY FOUR OLD MEN ARE BACK

Freshman Team Will Be Chosen at the Same Time—Many Sophs Expected to Get Places This Year.

Beginning at 2:30 Saturday afternoon, the men who have been training on the track for the past few weeks will enter a series of try-outs and strive to make a place on the varsity track team of 1910. The men who make good in the try-outs Saturday will compose the Nebraska team in the first meet of the year. The team may be changed before each meet if some of the candidates improve to such an extent that they are able to replace the men who have already been chosen. This system will compel the men to work hard all year and give everyone a fair chance to make the team.

The contests will be held on the athletic field and the new cinder path will be completed by that time. No admission will be charged and every student in the university who is interested in track sports should attend.

The following events will be held: 100 yard dash, 220 yard dash, 440 yard dash, 880 yard dash, mile run, two mile run, board jump, high jump, pole vault, hammer throw, shot put, discus, 120 yard hurdle, 220 yard hurdles.

Few Old Men Out.

There are only four old men trying out for this year's team. They are Captain Burke, Reed, Amberson, and Campbell. This leaves places to be filled in every event, and both places in most of them. The promising youngsters who are eligible for these places are Bates, Anderson, Powers, Flack, Fleming, McGowan, Clark, Melek, Harmon, Ankeny, Elliot, Graham, Mumson, Davis, Pierce, Alexander, Rice, Gibson, Shonka, Trump, Lzkar, Swanson.

A freshman track team will also be chosen Saturday. The following are promising freshmen of varsity caliber who will probably make places on the freshman team: May, Christmas, Collier, Lindstrom, Funkhauser, Black. May and Christmas will no doubt put up an exciting race in the dashes.

The Nebraska team will enter four meets this spring as follows:

May 7—Tri-state meet at Vermillion, South Dakota. The University of South Dakota, University of Nebraska and Morning-side College will enter this meet.

May 14—Kansas-Nebraska at Lawrence.

May 21—Nebraska-Minnesota meet at Lincoln.

May 28—Missouri Valley meet at Des Moines.

Coach Cherrington says that he is very much pleased with the spirit with which the men are working and that although the few old men back this year rather

handicap the work Nebraska will have one of the best teams in its history next year.

The senior play committee met in U 106 at eleven o'clock yesterday morning. They decided to fill all parts in the cast that yet remained unfilled and to fill them at once. There are several minor parts in the cast for which the persons chosen in the try-outs have never reported.

Each member of the committee was given a list of seniors from which they are to collect the two dollar assessment which was recently levied by the class.

FRESHMEN SHUTOUT THE BELLEVUE COLLEGIANS

FIRST-YEAR MEN DEFEAT PRESBYTERIANS 7 TO 0.

CARR GETS ELEVEN STRIKEOUTS

Freshmen Win Easily—Varsity Leaves Today on Eastern Trip—Freshman Game Is Declared Off.

With Carr on the mound the Presbyterian boys from Bellevue were helpless at the hands of the freshmen yesterday. For nine rounds a great big goose egg was the sum total of the ministers' score, while the freshmen garnered seven tallies off the Bellevue collegians.

The contest was in favor of the freshmen from the opening inning. Only once were the collegians dangerous and that was when Larson tripled to right in the sixth with nobody out. But the doughty little freshman continued to pitch ball and pulled himself out of the hole without any serious results.

Warner the Slugger.

Warner, who held down the first bag for the freshmen, had slugging honors all to himself. Out of four times up he banged the horsehide on the cheek for three safeties, at one time scoring Mowry who had just tripled.

Carr, throughout the game, had the Presbyterians eating out of his hand and amassed a total of eleven strikeouts to the credit side of his ledger. Besides keeping the Bellevue boys swinging like gates, he issued but one free ticket to the initial pillow, while Sweetland who was on the mound for the ministers, gave three men through fare to the corner sack. A game which was scheduled for the freshmen for today with the Beatrice high school has been cancelled.

Varsity Team Leaves.

The varsity team leaves today on the eastern trip. The lineup will be changed a little from that which made the jaunt into the territory of the Jayhawkers. Sturtzenegger will be dropped and Patterson will hold down the right garden. Olmstead will go along instead of Storms. The rest of the team to go on the trip will be: Captain Greenslit, Mathers, Frank, Clark, Waiters, Metcalfe, Cummings, Sleuther and Ratcliffe. The team will play Ames, (two games), Highland Park, Cornell and perhaps one or two other games to take the place of the cancelled games with Minnesota and Iowa.

SENIOR BREAKFAST MAY 14.

Great Stunts To Be Pulled off in Balmey Rural Air.

The senior breakfast committee met yesterday morning and completed arrangements for the last senior breakfast that the class will ever give, will be pulled off on the 14th of May.

The committee will meet again at 5 o'clock, Tuesday.
