UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY, MAY 3, 1910.

Price 5 Cents.

CANDIDATES REGISTER FOR ATHLETIC BOARD

TIME FOR REGISTRATION CLOSED YESTERDAY.

ELEVEN ASPIRANTS FOR OFFICE

Election to Be Held Monday in Armory—All Students, Faculty Members and Alumni Vote.

The following students have filed with me announcements of their candidacy for the athletic board:

'Ole' Metcalfe.
D. D. Bell.
G. E. Reed.
A. B. Amberson.
E. D. Trump.
Owen Frank.
S. V. Shonka.
Paul Yates.
K. P. Frederick.
H. W. Ewing.
B. M. Cherrington.

(Signed) R. G. CLAPP,
Secretary Athletic Board.

At the close of the time limit set for the filing of names with the secretary of the athletic board the above men had filed. Four of these men had filed last Friday, and in the meantime the rest of the men filed. The men who had filed were 'Ole' Metcalfe, Owen Frank, G. E. Reed and A. M. Amberson. Metcalfe has been a star player on the varsity baseball team for the past two years and Frank has been a member of the university football team last fall and this year he is a member of the baseball team. Reed and Amberson have been members of the university track team and this year Amberson won his letter on the basketball team.

The Other Men.

The other men who filed since Friday are as well known as those men. D. D. Bell was a member of the basketball team for four years previous to this season and won his letter each year. Trump has been a member of the gymnastic team for the past two years and won his 'N' on the cross-country team last year. Shonka was the star center for the football team last fall and intends to be in school next year. Yates was president of the junior class last year and has been a prominent student since entering school. Chauner played on the reserve football team last year and this year he won his letter playing end on the varsity team. Frederick is at the present time editor of the Daily Nebraskan. Ewing played three years as guard on the football team.

The election of these candidates to the athletic board will be held next Monday, May 9. The election will be held in the armory and the election will be under the ruling made by the athletic board three years ago. This ruling was to the effect that all students, all faculty and all alumni members of the university could vote at this election. The change was made in abolishing the fee of twenty-five cents which was charged all those who voted. In this way the former corrup-

tion which was prevalent was abolished. The only restriction made on the present system is that a student of the university is not allowed to vote unless he has made twelve hours of university work.

BRUNER WALKS TEN MILES.

Gets Valuable Specimens of Bugs and Snakes.

Professor Lawrence Bruner was in Peru Saturday. In order to reach Lincoln Sunday he had to walk ten miles to another town to catch a train. But Professor Bruner said he was well repaid as he found several species of bugs he had not seen for twenty years, and which he had been unable to obtain specimens of. He also had a grip full of snakes and other animals for use in his department.

PLATFORM CLUB DEBATES.

Two Good Contests at Coming Meetings.

The Platform Club will meet in U106 on Wednesday evening, and after a business session will hold a debate. G. N. Foster will debate J. T. Votava on the question, "Should cabinet members have seats in congress but not the right to vote?" On account of Ivy Day the meeting was set for this Wednesday evening. The public is cordially invited to attend any of the debates in the club. On May 18, G. R. Mann and B. B. Johnson will uphold the affirmative and Fred C. McConnell and A. R. Raymond the negative of the question whether socialism offers the best solution for the existing social and industrial conditions.

HELD THEIR FORMALS.

Lincoln Hotel Scene of Social Functions Last Week.

Phi Gamma Delta gave their annual formal party at the Lincoln hotel Friday evening. About sixty couples attended the dance. The Phi Gams held their banquet in the Lindell hotel Saturday evening.

One of the largest Greek letter parties of the year was the annual party of the Pi Beta Phi, held at the Lincoln hotel Saturday night. About one hundred couples were present, including many out-of-town people.

Lee Lincoln of York drove a party from that place to Lincoln in his big-touring car to attend the party. Those who accompanied him were Misses Hazel Thompson, Hazel Westgate, Hazel Bell and Mrs. Bell.

MAY PARTY SUCCESSFUL.

Girls Dance Round May Pole.

The May basket party given by the Union Literary Society last Friday night was a decided success. The principal feature of the entertainment was the May pole dance, given by about fifteen girls. After the dance the May baskets, which had been brought by the various members were distributed, and with the addition of a word contest served to carry on the entertainment very smoothly. Refreshments were served later, followed by a social half hour.

SMALLPOX SPREADING AMONG THE STUDENTS

SIX NEW CASES HAVE DEVELOPED IN PAST WEEK.

AUTHORITIES TAKE ACTION

Statement Read in Classes This Morning Regarding Action of Students—Compulsory Vaccination Is Possible.

Six new cases of smallpox in the past week. This is the record at the university for the past seven days. A month ago yesterday the first student to be attacked by the disease was released from the isolation hospital. Since then four or five more cases have been discovered. Two other cases were discovered shortly after the first case developed. During the last week the disease has broken out seriously and the university authorities have adopted measures by which they hope to check the disease and prevent further spreading.

Unless the measures which Dr. Clapp and Dr. Waite have taken fail to produce results there will be a compulsory vaccination of all the students of the university. This disease seems to have infected most of the men who have a habit of frequenting the locker and dressing rooms at the gymnasium. Here great care has been taken to prevent the spread of the disease and disinfection has been often.

Statement Read.

This morning the following statement, which was signed by Dr. Clapp and Dr. Waite and approved by Chancellor Avery, was read in all the class rooms before the students:

"Six new cases of smallpox have developed within the past week; therefore, it becomes necessary to warn students once more of the danger to all who have not been successfully vaccinated within one year. Students who have not been successfully vaccinated as indicated above should arrange for the same immediately in order to insure protection for themselves and for the general student body.

"The real danger in smallpox lies not in the severe typical cases that are isolated early, but in the mild cases that may never be discovered—thereby exposing to possible infection all students who come in contact with them. On this account, and also because the early symptoms are so often mistaken for gripe or some other similar disease, the following information concerning the disease is offered:

"The period of incubation of smallpox runs from seven to fifteen days. The initial stage is often ushered in with chills, fever, severe headache, backache, vomiting and oftentimes with symptoms of a 'cold.' Shortly after this preliminary attack the eruption appears. Students are very strongly urged to consult a physician at once and remain under his care until the nature of the illness is determined. All instructors and students are requested to report im-

mediately to Dr. Clapp any student having a suspicious looking eruption. Compliance with the above request will undoubtedly stamp out the disease and avoid the necessity of compulsory general vaccination, which must be resorted to if the above mentioned plan fails to check the disease.

Dr. Waite may be consulted from 9:30 to 10:00 a. m.; and Dr. Clapp from 11:00 to 11:30 a. m. and 2:30 to 3:00 p. m. daily in regard to this matter. (Signed) H. H. WAITE.
R. G. CLAPP.

Approved:

S. AVERY.

Seven in Hospital.

At the present time there are seven university students in the isolation hospital. Six of these students have been taken to the isolation during the past week. The men who are in the hospital are:

L. E. Sackett of 636 No. 16th street; R. H. Martin, 500 No. 16th street; M. H. Wessem, 1501 R street; A. N. Linsom, 1212 K street; D. Lang, 420 No. 14th street, and Charles Whitney, 1501 R street. A week ago yesterday W. W. Bennett and W. F. Chauner were sent to the hospital. Bennett is at the present time still confined and Chauner was released Saturday. Chauner was released so shortly after being taken to the hospital on account of being nearly recovered from the smallpox before being taken to the isolation hospital. He was on the campus the entire time that he was sick and was not confined to his room at all while ill.

The lightness of the disease and the ease with which it may be mistaken for some other slight eruption, caused little attention to be taken in checking it. This is a difficulty with which the authorities have to cope, and yesterday Dr. Clapp stated that no compulsory ruling would be made at the present time, and that the situation is not at all serious; but the disease must not be allowed to continue, and must be stamped out or compulsory general vaccination would be resorted to.

MILL TAX FOR MISSOURI U.

Plan Is Indorsed at Meeting of "Ad" Men.

Resolutions indorsing the proposed mill tax for the maintenance of the University of Missouri were adopted by the St. Louis Advertising Men's League. The seventy members of the league at the luncheon signed petitions asking for submission of the plan under the initiative.

NO HOLIDAY FRIDAY.

Definite Announcement Was Made Yesterday.

University students will not be granted a holiday for Friday. This was the announcement made last evening. It has not been customary in the past to give a holiday for the Friday of Fete Day and the precedent will be carried out this year.

Baked beans, baked on the premises and served hot with delicious brown bread, 10c, at The Boston Lunch.

TRACK TEAM TRY-OUTS HELD SATURDAY

COACH CHERRINGTON WELL PLEASED WITH RESULT.

MINNESOTA DEFEATED IOWA

Missouri Valley Conference Makes New Rules—Reed Won All Three Dashes—Lindstrom Pole Vaults 11 Feet 4 Inches.

The track team try-outs that were held on the athletic field Saturday were very satisfactory. While nothing sensational was done, the results in all the events showed that Nebraska may yet be able to do something on the track this spring. Guy Reed won all three of the dashes, and although his records were good, they are hardly good enough to win against Nebraska's competitors this year.

Captain Burke is not in good form yet and will probably be able to make much better time by the time that the first meet is pulled off. He and Reed will be the entries in the 440 this year. Clark and McGowan showed up well in the distance runs, and Lindstrom surprised everyone in the pole vault. Lindstrom is a freshman, however, and cannot be entered in the big meets this year. He should make a good showing on the freshman team.

Events as Run.

Events:
100-yard dash—Reed, first; May, second; Christmas, third. Time, 10 1-5.
200-yard dash—Reed, first; Burke, second; Christmas, third. Time, 24 1-5.
440-yard dash—Reed, first; Burke, second; Ankeny, third. Time, 52 3-5.
880-yard run—McGowan, first; Wollenburg, second; Swanson, third. Time, 2:05.
1 mile run—Clark, first; Melik, second; Bates, third. Time, 4:59 2-5.
2-mile run—Clark, first; Melik, second; Snyder, third. Time, 11:10.
Shot put—Shonka, Funkhouser, Fleming. 36 feet 6 inches.
Discus—Funkhouser, Gibson, Fleming. 98 feet 4 inches.
Hammer throw—Only one contestant, Harmon. His throw was not measured.
120-yard hurdles—Collier, first; Flack, second; Funkhouser, third. Time, 16 3-5.
220-yard hurdles—Collier, first; Powers, second. Time, 28 2-5.
Broad jump—Munson, first; Davis, second. 20 feet 4 inches.
High jump—Collier, first; Graham, second; Munson, third. Height, 5 feet 5 inches.
Pole vault—Lindstrom, first; Graham, second; Shock, third. Height, 11 feet 4 inches.

Minnesota-Iowa Meet.

Minnesota defeated Iowa Saturday in their annual dual track meet by the score of 58 to 54. The meet was closely contested and an excellent showing was made.

As the Nebraska team meets Minnesota on the 21st of this month, the meet Saturday was of much interest to the track men here. The Minnesota sprinter, Continued on Page 4
