ALUMNI PROGRAM.

Alumni Members to Furnish Entertainment Tonight.

The Palladian Literary Society will give an alumni program at the hall tonight. Several prominent alumni will be present and take part on the program. All the music for the meeting has been composed by Miss Flora Bullock, a Palladian alumnae. It is desired that the meeting begin promptly at 8:30.

MISS PAXSON COMING.

Versatile Secretary Here for Week.

Miss Paxson, who is coming to the university this following week to hold a series of special meetings, is a woman of wide experience and strong personality, and peculiarly fitted to interest her audiences. She possesses a personal attraction and magnetism that attracts girls and all people to her on all occasions, and her popularity as national secretary of the Y. W. C. A. is equaled only by the reputation she now enjoys as traveling secretary of the student volunteer movement. She has been in this public work for about ten years, and has come in touch with every sort of college and college girl.

Miss Paxson is a graduate of the University of Iowa.

She is a Kappa Kappa Gamma and a Phi Beta Kappa.

The program of the Ruth Paxson meetings follows:

Sunday, 4:00 p. m., Temple theater--Mass meeting. Special music by Y. W. C. A. quartet, Misses Hartley, Vibbard, Kock, Clement.

Sunday, 5:20 p. m.--Cabinet girls.

Wednesday evening, 7:00 to 7:45, Hays Hall.

Monday, Tuesday and Wednesday, noon meetings, 11:50 to 12:15.

Tuesday, 5:00 to 6:00--Senior meeting in Y. W. C. A. rooms.

POSTPONE MEETING.

Latin Club to Wait for Open Meeting.

The regular meeting of the Latin Club, which was to have taken place Tuesday, has been postponed until, under the ruling of the chancellor, an open meeting may be held.

At this time Prof. Grove E. Barber will give a report of the Classical Association, which met in Chicago last month. In courtesy to the professor and in order that more may enjoy the benefit of the report, each member will be privileged to bring guests. It is being planned to invite all the Latin teachers in the city and suburbs.

Also the Latin Club banquet, which was to have been held next Saturday, will be held at a later date at the Lindell.

UNIFORM CONTRACT LET.

Difficult Question Settled to the Satisfaction of All Concerned.

Yesterday the contract for the cadet uniforms for the coming year was let to the Pettibone Co. of Cincinnati, Ohio. Previous to this time the uniforms for the cadets of the First and Second battalions were handled by the Pershing and Workizer Rifles respectively. Last fall some little difficulty arose between the Pershing Rifles and a downtown clothing firm, and the matter was settled for next fall by Captain Yates by calling for bids for the contract of making the uniforms for next fall.

In this way one firm has the

When You Get a Kensington Suit

you cut out the element of doubt--the doubt as to how it will fit, how it will wear, how it will look two months from now.

A Kensington spring suit--\$20 to \$40--will look just as well at the end of the season as it does now. Of all-wool fabric it's built to *Fit and Stay Fit*.

Our *L System* clothes--\$15 to \$30--distinctive, dashing "college clothes" but not freakish. They're built to supply the need for garments that set off the personality and athleticism of the college man. Better made, better fitting, better priced (taking into account value) than most young men's clothes.

entire contract and only their uniform will be the official uniform. It was also decided that in all probability the Pershing Rifles would handle the uniforms for this firm next year at the university and perhaps the Workizer Rifles would have the same task to fulfill at the state farm for the Pettibone company.

SOUTH DAKOTA SATURDAY.

Cornhuskers to Play on Home Diamond.

University baseball fans will have an opportunity Saturday of watching the varsity experts play ball on the home diamond. South Dakota will cross bats with the Cornhuskers. The game which was to have been played with Dakota on the Cornhusker trip was called off on account of rain. The Dakota team is playing fast ball and is expected to give Nebraska as strong a fight as will be witnessed on the home diamond this season.

"COMPET" DATE CHANGED.

Annual Competitive Drill to Be Held June 19.

With the announcement that High School Pete Day would be held Friday, May 20, the date for the annual competitive drill between the six companies of the First battalion of cadets, has been changed to May 19.

The "compet" will probably be held on the new athletic field. Classes will in all probability be excused Thursday afternoon, May 19, for this drill, as this has been the custom in the past in regard to competitive drills.

Princeton Fellowship.

The department of geology in Princeton University has sent notice to the department of geology here that fellowships and scholarships will be available to the students of this university. In the case of high grade students who need financial aid an offer of special consideration is made.

Catholic Students Meet.

The Catholic Students' Club will hold a meeting in the science hall of the Temple at 7:30 Saturday night. Important business will be transacted.
