**Reach**  
Fielders' Gloves and Mitts

Some of the one-hand stops made by the big league fielders are most sensational—ten years ago they would have been deemed impossible. The great secret of perfect fielding lies not only in ability, but in the right gloves and mitts. Reach Fielders' Gloves and Mitts are perfect. Their superiority is evident through use by such star players as Wagner, Cobb, Lajoie, Collins, Crawford, Magee and Keeler.

Also used by well-known college players.

**JUST PUBLISHED**

Webster's NEW INTERNATIONAL Dictionary, (G. & G. Merriam Co., Springfield, Mass.) surpasses the old International as much as that book exceeded its predecessor. Editor in Chief, Dr. W. T. Harris, former U. S. Com. of Education. The definitions have been rearranged and amplified. The number of terms defined has been more than doubled. The Etymology, synonyms, pronunciation, have received unsparing scholarly labor. The language of English literature for over seven centuries, the terminology of the arts and sciences, and the every-day speech of street, shop, and household, are presented with fullness and clearness. In size of vocabulary, in richness of general information, and in convenience of consultation, the book sets a new mark in lexicography.

400,000 words and phrases.  
6000 illustrations.  
2700 pages.
