COMPANY D WINS CUP FOR THE EIGHTH TIME

SERGEANTS L. A. WELCH AND C. K. PAYNE WIN THE INDIVIDUAL.

COMPANY B WINS SECOND PLACE

Annual Competitive Drill Held Yesterday—Individual "Compet" the Closest Held at the University for Years.

With a thousand spectators seated in the grandstand on the new athletic field the six companies of the First battalion went through competitive drill yesterday, which resulted in victory for company D. The individual competitive drill followed immediately after the competitive company drill and Sergeant L. A. Welch of company C won the first place in this drill, with Sergeant C. K. Payne of company I a close second.

Assembly sounded at 1:15, and at 2 o'clock the first company appeared on the field. The six companies were put through the various drill movement, which comprised firings, manual of arms, marching, extended order, squad and skirmish drill. On the ability to execute the required drill in correct manner and the ability to complete all the required movements in the quickest time was the competitive drill based on.

The Individual Drill.

The individual competitive drill was one of the closest that has ever been held at the university. Four men from each com-

pany competed, and these twenty-four men were drilled in the manual of arms, the firings, dressing and facing. When but a few men remained, then the drill was judged on form and correctness of position. The result of the drill was in favor of Sergeant Welch, who won the first prize loving cup and Sergeant Payne, who won the second prize cup.

The judges of the competitive drill were Lieutenants Nulsen and Boshen of Fort Crook. These men also judged the individual drill, while Captain Yates gave the commands.

Following the drills, dress parade and review was held. The order announcing the result of the "compet" was read and company D was marched to the reviewing stand, while the rest of the battalion passed in review.

Company D won the competitive drill last year and the victory for the company yesterday makes the eighth time out of the past eighteen competitive drills that this company has been victorious. Vallery White of Omaha is captain of the company, and Lieutenants Wohlengren and Keifer are the secondary officers. Company B, which won second, was led by Captain S. A. Mahood.

The result of the drill was as follows:

First, company D, 701; second, company B, 623; third, company C, 597; fourth, company I, 589; fifth, company A, 581; sixth, company K, 528.

Following the dismissal of the companies, company D paraded through the various buildings of the campus and through the business portion of the city. With colors flying and cheering the company celebrated their victory until late in the evening.

Shortly after the close of the company parade Captain White announced the annual "Company Q" parade, which commenced at 8 o'clock.

NEBRASKA SPIRIT AROUSED TO GREAT OVERFLOWING.

CELEBRATION ON THE ATHLETIC FIELD

Big Parade of Year Lacking in Rowdyism and Roughness—Students Like New Plan of Parade—Big Bonfire Ends the Celebration.

Cheer upon cheer! Roar upon roar! With 650 men in single file, all in lock-step, the annual "Company Q" parade was held last night. To show honor to the winning company of the competitive drill held yesterday afternoon, Captain Vallery White of company D led the howling parade through the streets of Lincoln last night.

Through the efforts of prominent upper classmen and the captains of the various companies, the annual "Company Q" parade was allowed by the chancellor. The parade last night was one grand and glorious success. No rowdyism or roughness marred the jaunt of the parade through the streets.

Drink Punch.

Accepting the invitation of the proprietor the university paraders in full costume passed through the Riggs pharmacy and each man was treated to a glass

of punch. The parade last evening was the largest one ever held at the university. About 650 students gathered at the armory at dusk and soon began to form in line preparatory to celebrating the victory of company D and also show their enthusiasm for the university. Costumes of various nature were seen on all sides, but the appropriate night shirt was chiefly in evidence.

Campus Program.

After parading the streets until about 10:30, the students marched to the athletic field, where a monster bonfire was started and one big celebration followed. The grandstand and bleachers were packed with fair co-eds and the entire student body were present. Colored lights were distributed and these added to the magnificence of the scene. The Nebraska spirit was aroused to overflowing. Cheer upon cheer; roar upon roar; yell upon yell filled the air until overcome with fatigue the students finally quieted down.
