## Our \$15 and \$18 Suits

are not more popular because of price, than because of excellence of style, fit, finish. There's more value for your money in these garments than you ordinarily find at these prices.

Don't think for an instant that because we talk quality so much, we cannot more than please you in our popular priced lines. There's the same striving for quality in our \$15 and \$18 suits as there is in our Kensington Clothes

Our KENSINGTON CLOTHES--\$20 to \$40--really custom-made clothes ready to wear. They're built to fit better than most tailor made garments sold for twice the money. Built to Stay Fit too. It's the hand tailoring, the individual cutting, that gives them fit and stability of shape.

Our L-SYSTEM CLOTHES that you've heard so much about are distinctive college clothes for young men. Not freakish, but with just enough of that broad-shouldered effect to properly set off the physique of young college fellows. They're better made than most clothes of their class--equally well made at \$15 or \$30.

### FINANCIAL AFFAIRS DISCUSSED BY BOARD TO MAKE ARRANGEMENTS TO SECURE LOANS.

AWARDING OF LETTERS DISCUSSED  
Election of Baseball and Track Captains Will Be Held Next Tuesday—A Place in Missouri Valley Meet Wins Letter.

At a meeting of the athletic board last evening in Dr. Clapp's office the financial situation of athletics at Nebraska were the chief topic of discussion. The report of the financial committee showed that the financial condition of the athletic board was not of the best, owing to the expenditure of about \$7,000 for permanent expenses on improvements on the new athletic field. Baseball and track showed a large deficit, and this was also discussed. The deficit in track will amount to about \$400 and the baseball accounts will show a deficit of about \$300. It was decided that the board would borrow such sums as it would find necessary to cover the deficit until next fall, as football would make up for the deficit and thus relieve the board of its present financial stringency.

A permanent method of awarding "N's" to the members of the track teams was decided on at this meeting of the board. It was determined that a winner of one first or two seconds in any of the dual conference meets would entitle a track man to the coveted letter. It was further decided that a winner of a first, second or third in the Missouri Valley meet would be a sufficient basis

for the granting of an "N" to the athlete.

The election of student members to the athletic board for the coming year was also approved. Baseball and other matters which are to come before the meeting of the representatives of the various schools in the Missouri Valley conference next Friday were discussed and the board expressed its sentiment in regard to the action the Nebraska delegate should take on these matters at this meeting.

The board adjourned to meet Tuesday, May 31, to hold the election of baseball and track captains for the coming year. Men who are awarded their letter this year will be eligible to vote at this election.

**Engineer Smoker.**  
The Engineering Society will give their last event of the year Saturday, May 28. They will entertain the engineers of the university at a smoker at the Delta Upsilon fraternity house.

**Latin Club Tonight.**  
The Latin Club will hold its annual banquet tonight at the Lindell hotel. The banquet had been postponed several times owing to the smallpox in the university.

**Freshman Picnic Not Held.**  
On account of rain last Saturday, the freshman picnic planned for that day was not held. It will in all probability be given at some future date. The announcement of the new date will be made later.

**Examinations for Geological Survey.**  
The United States Geological Survey has given notice that a civil service examination will be held and that a number of positions are open, particularly in paleo-botany. The examination will be held June 8, 1910.
