

The Daily Nebraskan

Vol. IX. No. 14.

UNIVERSITY OF NEBRASKA, LINCOLN, WEDNESDAY, MAY 25, 1910.

Price 5 Cents.

KANSAS AGGIES WILL PLAY BALL TODAY

GAME CALLED AT 4 O'CLOCK
THIS AFTERNOON.

LAST GAME OF THE SEASON

Manhattan Team Is One of the
Fastest College Teams in the
West—Have Defeated Corn-
huskers Twice This Season.

The last baseball game of the season will be played on Nebraska field this afternoon. The Cornhuskers' opponents will be the mighty Kansas Aggies. The Aggies have one of the fastest college teams in the west this year, and have already defeated the Nebraska team in two games.

There will probably be a large crowd at the game this afternoon, as it will be the last opportunity that the local fans will have to see their favorites in action. The game will be called at 4 o'clock sharp. It was thought this late hour would not interfere with classes to such an extent as would the usual hour.

Defeated Wesleyan.

The Aggies defeated Wesleyan Monday afternoon by the score of 6 to 4. In addition to star fielding, they secured eight hits off of the delivery of Crane, the crafty Wesleyan pitcher.

The Cornhuskers are determined to win today, and redeem themselves for the two defeats which they have suffered at the hands of the Aggies this year. The team showed excellent form in the second game with Ames last week, and if they play the same classy article of ball this afternoon, there is no reason why they should not win.

It has not yet been decided who will pitch for Nebraska. It is thought, however, that Mathers will start the game. Mathers has been the most effective pitcher on the team this year, having won more games than any of the others.

The Cornhuskers have been improving in the hitting department lately. Cummings, who was one of the weakest batters on the team early in the season, got two of the four hits against Ames last Saturday. The other members of the team are expected to do some effective hitting this afternoon.

Line-up of the Teams.

A line-up of the team as they will appear in this afternoon's game follows:

Aggies—Speer, rf.; Price, 2b.; Parks, cf.; Strong, lf.; Young, 1b.; Billings, 3b.; Strohm, ss.; Forsberg, c.; Stack, Baird, p.

Nebraska—Fehlman, rf.; Waters, 2b.; Ratcliffe, cf.; Soleuter, lf.; Clarke, 1b.; Cummings, 3b.; Metcalfe, ss.; Greenlit, c.; Mathers, Olmstead, Frank, p.

Esther Devalon, Alpha Omicron Pi, is here visiting at the present time. Miss Devalon resides in Omaha and will be in school next year.

"ARMS AND THE MAN."

Dramatic Club Play Tonight.

"Arms and the Man," a three-act comedy by Bernard Shaw, appears at the Temple theater tonight. It is put on by the Dramatic Club with an exceptionally strong cast.

The play is distinctly a costume play. The costumes, which were ordered from Leben, the Kansas City and Omaha theatrical costumer, arrived yesterday.

The play is laughable throughout and sparkles with characteristic Shaw humor. Laurence Coy, as Captain Bluntchli, and Eleanor Barbour, as Raina, star in the production. They are supported by an exceptionally strong cast, every member being thoroughly expert in dramatic art.

FULL HOLIDAY MONDAY

Deans Decide that University
Class Be Excused May 30.

Last evening by an agreement of the deans of the various colleges of the university it was decided that there would be no classes next Monday, May 30. This action was taken as Monday is Decoration Day and in accordance with the custom established at the university when this holiday falls on a week day, all classes at the university are excused for that day. As the custom is again to be followed this year Monday will be a full holiday.

JUNIOR LAWS PICNIC.

Boat Race Feature of Afternoon.

The junior law class held a picnic at Capitol Beach yesterday afternoon. The class left the university shortly after 3 o'clock. They chose sides and played a game of ball, after which another team was picked which played the winners. The feature of the afternoon was a boat race between Delta Chi and Phi Delta Phi. The boats, manned by five men each, started from the opposite shore and raced to the pier, a distance of over a mile. Phi Delta Phi won by about one boat length. Lunch of weinies, sandwiches, pickles, hot coffee, etc., was served, after which the picnickers returned to the city at 6:30 p. m.

NEW MILITARY WORK.

Cadets Receive Instructions in
Setting Up Tents.

Last night company D of the First battalion of university cadets were given instruction in the setting up of tents. This is a new department in the military work of the cadets. In past years the setting up of tents at cadet encampments has been done by the hospital corps. This year the cadets themselves must do this work. Instruction in the work is necessary as the army tents are set up according to a method prescribed by the drill manual.

ANNUAL OUT AT 10 O'CLOCK TUESDAY

BEING BOUND AT LINCOLN
INDUSTRIAL EXPOSITION.

DEDICATED TO THE READERS

First Time that Custom of Dedi-
cation of Publication to Fac-
ulty Has Been Broken—
Arouses Interest.

The 1910 Cornhusker will make its appearance on the university campus at 10 o'clock Tuesday morning. This definite announcement was made possible yesterday by the fact that the final work on the book is rapidly nearing the last stages of completion.

The annual is being bound at the Lincoln Industrial Exposition being held at the Auditorium. At closing time yesterday evening only a few copies remained to be bound. This binding is a part of the exhibit of Jacob North & Co., who are engaged in the printing of the book.

Novel Dedication.

The book this year has a rather novel though appropriate dedication. It is dedicated to the readers, to all those who feel the thrill of undergraduate life. This dedication is rather unusual for a Nebraska annual. All of the annuals of any nature at Nebraska in the past have been dedicated to some member of the faculty who has assisted in building up the university. The dedication this year was made to the readers in appreciation of the fact that they, in their efforts to build up Nebraska, deserve this recognition.

This year's annual is arousing much interest on the campus at the present time. Its appearance has been unavoidably detained a number of times, but its appearance Tuesday is now definitely assured. Many new features employed in the annual this year will, it is believed, make it one of the most popular books ever produced at the university.

PHI BETA KAPPA ORATOR

Professor of History and Dean
at the University of Chicago.

James Westfall Thompson will deliver the annual Phi Beta Kappa oration this year. The address will be given in the Temple theater on the evening of June 13, Phi Beta Kappa Day. The annual banquet and initiation will be held the same evening. An effort will be made to secure the presence of as many of the older members of this scholarship organization as possible.

"History, Tradition and Culture" will be the subject of Professor Thompson's address. The speaker is a man of rare scholastic ability and has much power as a speaker. The society had no

speaker last year, preferring to secure a man of real merit every other year. Their plan has been justified in the securing of Professor Thompson.

Phi Beta Kappa is the oldest of university fraternities. It was founded in 1776. The fraternity membership is elected purely on the basis of scholastic standing.

SIGMA TAU BANQUET.

Engineering Fraternity Hold
Banquet at Lindell Hotel.

The members of the honorary engineering fraternity, Sigma Tau, held a banquet at the Lindell hotel last evening. About thirty-five members of the fraternity were in attendance. W. C. Wohlenberg was toastmaster of the evening, and informal toasts were given by a majority of those present. Robert Fulton, 1909, ex-president of the Engineering Society, was the only out-of-town alumnus present.

PHI ALPHA TAU BANQUET.

Lincoln Hotel Is Scene of Last
Banquet.

Phi Alpha Tau held the last banquet of the year in the Lincoln hotel last night. Plates were set for twenty-five. A. R. Raymond was initiated.

V. B. Marcellus was toastmaster. The following toasts were given: "The Relations of Phi Alpha Tau to the Student Body," Mr. Rogers; "A Year in Phi Alpha Tau," E. H. Hahne; "Class of 1910," George Wallace; "How it Feels to Be Initiated," A. R. Raymond. H. W. Potter and John Alexander as outgoing seniors were called upon for impromptu speeches. Jack Miller, one of the charter members, in an impromptu speech told the chapter many interesting things. The banquet partook of the nature of a farewell to the seniors, and in closing the university songs and the "Phi Alpha Tau" song were sung.

PICNIC NOT SPOILED.

Unique Event of Freshman Class
to Be Held Saturday.

Yielding to a storm of protest from members of the class, Chairman English of the freshman picnic committee has announced that the date for the event will be Saturday, May 28th. He hurriedly communicated with the members of the committee last night before announcing the date. Practically all of the unique events which were originally planned will be carried into effect on Saturday. The extra week, however, permits the committee to make more extensive and elaborate preparations. It will be a regular old-fashioned picnic. The committee handles no cash whatever. Everyone pays his own car fare, gate fee of ten cents, and provides his own lunch, by proxy or otherwise. The car will leave the corner of Tenth and O streets at 4:20 o'clock Saturday next.

SENIORS DEPART FOR MIFORD THIS MORNING

ANNUAL "SNEAK DAY" OF
THE UPPER CLASSMEN
CELEBRATED.

PICNIC SPORTS MAKE THE PROGRAM

Faculty Apprised of the Holiday
of the Seniors, but Under
Classmen Have No Knowl-
edge of the Event Until
This Morning.

Two hundred strong the members of the senior class departed for Milford at 7:30 this morning on the annual senior "Sneak Day" outing. With the permission of the members of the faculty and without the knowledge of the under classmen the seniors departed.

The program of events is similar to the events held at the former senior outings. Upon their arrival at Milford, the rendezvous of senior outings, a parade will be held. The seniors will march through the main streets of the town, and then go to the picnic grounds along the banks of the Little Salt, where the picnic will be held.

Baseball Game.

After a picnic dinner an athletic meet will be held. This will be followed by a baseball game between the seniors and the Milford team. Individual stunts of various nature will be held and the entire day will be spent in picnic sports. The seniors will return late in the afternoon, arriving in the city about 6 o'clock.

Senior outing day is a survival of the former senior "Sneak Day." The members of the faculty were apprised of the fact that the members of the upper class were going to take this holiday yesterday. The failure of the members of the senior class to put in an appearance on the campus this morning was the first knowledge of the absence of the upper classmen.

This is the last celebration of the class of 1910, as the week of final examinations commence June 3rd, and then the week of commencement completes the history of the class of 1910 in the university.

LATIN CLUB BANQUET.

Professor Barber Toastmaster.

The Latin Club held its third annual banquet at the Lindell hotel last evening. Plates were set for about thirty members.

Professor Barber was toastmaster. Toasts were responded to as follows: "Clause of Actuality," Professor Barber; "Purpose Clause," Miss Hunter; "Indirect Discourse," Professor Sanford; "Parenthetical Clause," Miss Miller; "Simple Condition," Miss Drake, and "Subjunctive by Attraction," Miss McVeigh.

BASEBALL -- KANSAS AGGIES -- TODAY
