OTIS SKINNER at the Oliver Friday Night

Charles Frohman will present Otis Skinner here in his latest and best-liked New York success. A new and delightful four-act comedy by Booth Tarkington and Harry Leon Wilson, "Your Humble Servant," will be the offering, with Otis Skinner in the stellar role and surrounded by a very capable Frohman company and with all the lavish Frohman equipment.

"Your Humble Servant" was made to order for Mr. Skinner and is a good fit. It will favorably compare with Mr. Skinner's delightful play of last season, "The Honor of the Family," and there are many points of resemblance between that of Captain Brideau and Mr. Skinner's latest role, Layfette Towers, the optimistic tragedian of many ups and downs.

The play gives a realistic picture of the lives of several itinerant theatrical people, Towers and his ward, Margaret Druce being the principals, with a runaway youth, Dick Prentice, Jr., the scion of a wealthy house, as a sort of scapegoat hero, an aspirant for stage honors. Towers is pictured as a typical stage tragedian, long-haired, deep voiced and the conventional stride, always seeking and hoping in vain for the stellar honors never to be attained; now reduced to abject poverty, again enjoying prosperity and sharing his good fortune with his less fortunate brethren.
